#### Conference information:

Organizers: Federation of the Scientific-Technical Unions in Bulgaria (FNTS), Union of Electronics, Electrical Engineering and Telecommunications (CEEC), Ministry of Transport, Information Technology and Communications, Communications Regulation Commission, Technical University of Sofia (TU-Sofia), Faculty of Telecommunications - TU Sofia, French Faculty of Electrical Engineering - TU-Sofia, Union of Scientists in Bulgaria, Telecommunications Association (ASTEL). The Bulgarian IEEE section has been a traditional supporter of TELECOM, along with the Organizers.

TELECOM is an annual national scientific-technical conference with international participation covering a wide range of topics in the area of state-of-the-art communication systems and networks from the latest innovations and technical achievements to their successful practical implementation. The aim of the Conference is to create conditions, opportunities, and help the experts and specialists in different telecommunication fields to exchange ideas, knowledge, and technical expertise. The discussions will contribute to the creation of new ideas and innovation trends in the development of the telecommunications in Bulgaria.

Conference topics include: Telecommunication Networks. Cloud Computing and Communications. Network Functions Virtualization, Intelligent Transport Systems. Optical Communications, Wireless Systems - 5G, Mobile and Satellite Communications, Wireless Access, Cognitive Radio, Software Defined Networks. Big Data Networking, Teletraffic Engineering. Quality Of Service (QoS), Internet of Things (IoT). Smart Home And Cities. eHealth. Better Living with ICT, Communication Issues, Supercomputers, Artificial Intelligence, Machine Learning, Communication Circuits, Signals and Systems. Image and Voice Processing and Coding, Electronic Communications, Policies and Regulations. Digital Switchover, E-Governance, Cybersecurity, Economics and Marketing of Electronic Communications, Postal and Delivery Services, Education in the Field of Telecommunication

Chairman of the Organizing Committee - Plamen Vachkov, email: pvatchkov@gmail.com

### Dates:

The conference took place as scheduled on 29-30 September 2020, but due to the coronavirus epidemic it took place via remote participation using Webex conference software.

### **Participants:**

The total number of participants was 60. 40 scientific articles were presented. These articles are published in IEEE Xplore Digital Library.
