The last Section elections was on November 2020, the next elections will be on November 2021, and our vice chair will be the next Section Chair.

The activities carried out to retain and recruit members:

- Humanitarian and SIGHT projects;
- Entrepreneurship and Professional activities;
- Educational and Technical activities;
- 9th TSYP congress on 14-16 March 2021.

The Tunisia section has received the outstanding achievement for the 2020 membership year.

Students

To support our members, the section organized the following activities / programs / initiatives:

- IEEE Tunisian is preparing the Tunisia Student & YP congress which will be held during March 2021.
- We encourage counselor and students in universities to register for the IEEE Competitions (IEEE Day, MTG, MadC and IEEEXtreme Programming, etc.);
- On the side of the Humanitarian Projects and events, Tunisia section has obtained three funds from IEEE-HAC to financially support these accepted projects to achieve their goals to fight against COVID-19.
