

117th IEEE Region 8 Committee Meeting

IEEE Region 8 Careers New Initiative

Mohamed Amin

Careers new initiative Chair, IEEE Region8

Mohamed.amin@ieee.org

Careers new initiative Project Charter

Develop a new way to provide a service to members (and perhaps potential members) consisting in non-technical tools to:

- Better understand the job market
- Help them advance in their careers, or promote themselves in the corporate environment, in the fields of interest of IEEE and in the area covered by R8

The plan to be presented in March will include the concept and idea, format, **pilot program**, measurable KPIs, budget, timeline, and required human resources. The committee will be expanded if needed at that time.

IEEE R8 AdHoC committee members - 2021

Mohamed Amin

Senior Account Manager @ Nokia, and previously he was working for Alcatel-Lucent as Services Business Development Manager for Orange in EMEA.. Amin received IEEE MGA Achievement Award in 2016 due to his contribution among his IEEE R8 AFI team for planning and implementing the IEEE Action for Industry Initiative

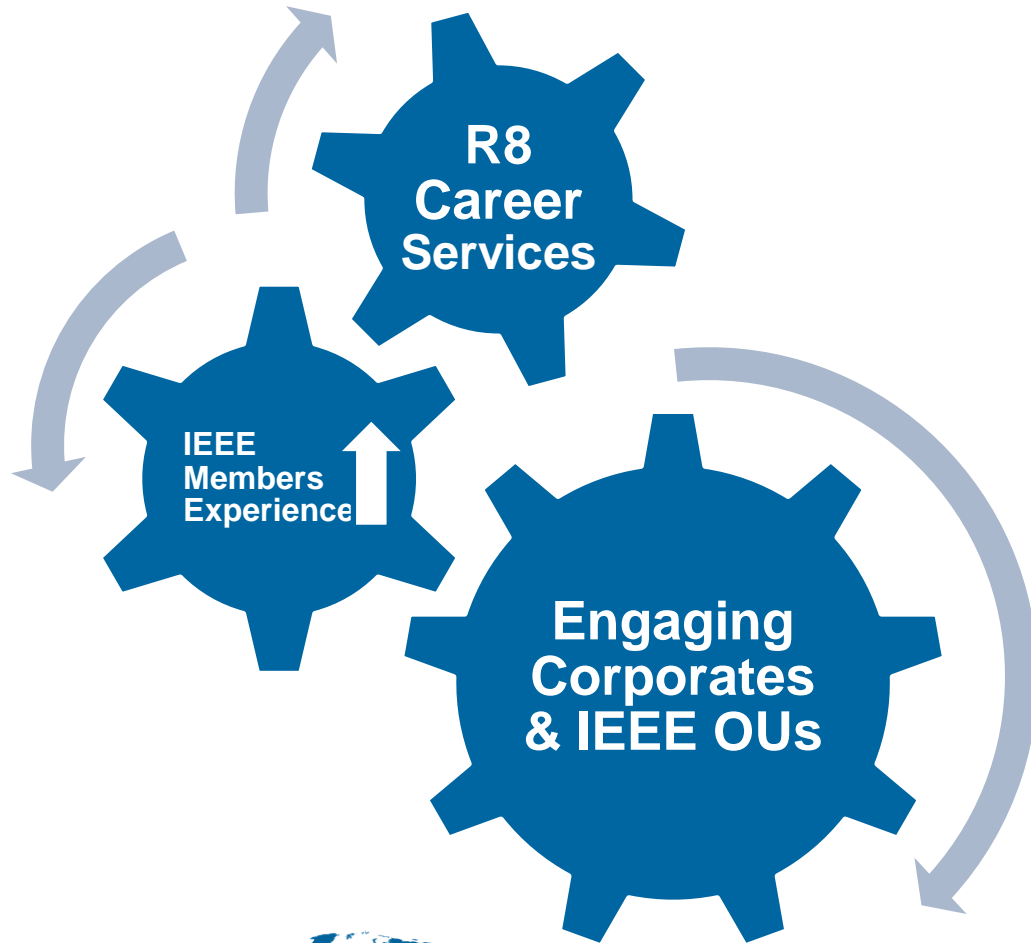

Dora Fourou

Digital Marketer focusing on Performance Marketing, with experience on e-Commerce, while currently her interest focus on hospitality. She is an IEEE member for 9 years, and currently, she is the Past-Social Media Coordinator of the IEEE Region 8, a corresponding member of IEEE Region 8 Women in Engineering and the IEEE Greece Section Secretary.

IEEE R8 Career Services - 2021

Sustainable model

Understand

IEEE members needs for
Career progression

Engage

IEEE members with other IEEE
Industry professionals and
recruiters

Promote

IEEE R8 members experience
& diversity
celebrate members success
stories in their workplace

Senior Members in Industry - Push program

In collaboration with **Membership Development Subcommittee:**

- Identify eligible members working in Industry
- Identify potential members to be elevated to Senior Members
- Support those members to apply for Senior Membership
- Section Chairs can prepare a ceremony to present the plaque to the new IEEE Senior member in their company premises or via online celebration
- Celebrate & recognize IEEE R8 Senior members achievements in Industry

IEEE Region8 - Employer Letter

Are you an IEEE Volunteer working in Industry ?

IEEE Region8 will send you a letter to your Employer that describes your volunteering role in IEEE

This letter can be signed by IEEE Section Chair & IEEE Region 8 Director, describes officer status and expresses appreciation and support of activities.

30 November 2015

Mr. Ashraf Yostos
Country Senior Officer, Egypt, Iraq and Jordan
Alcatel-Lucent
Maadi Technology Park, Building MB4
Maher Abaza St. (Formerly El Laselky St.) / PO Box 9
New Maadi, Cairo 11742
EGYPT

Dear Mr. Ashraf Yostos,

It is my pleasure to advise you that Mr. Mohamed Amin, a member of your organization, has been appointed in a volunteering position in IEEE Region 8 (Europe, Middle East & Africa) as Industry Ambassador.

IEEE is the world's largest professional association advancing innovation and technological excellence for the benefit of humanity serving more than 400,000 members in over 160 countries. IEEE depends upon its local geographic units, and the volunteer leaders of these units, to implement the strategic direction of IEEE throughout the world. I am sure that the management and leadership experience that Mr. Amin gains as Industry Ambassador for IEEE Region 8, will directly enhance his value to your organization.

The Board of Directors joins me in expressing our appreciation for your support of IEEE activities, and Mr. Amin for volunteering and managing the Industry Ambassador activities of IEEE Region 8.

Information regarding IEEE can be found in the Annual Report (http://www.ieee.org/about/corporate/annual_report.html). If you have any questions concerning IEEE and its activities, please forward them to mza@ieee.org.

Sincerely,

Lawrence W.C. Wong
Vice President, IEEE Member and Geographic Activities
