

North Macedonia Section

Anastas Mishev

Section Vitality

Last elections took place November-December 2021. Next elections are envisaged for November-December 2023. Vice-Chair is usually candidate for chair, but there can be other candidates for the position. Members elect the chair by voting. In 2021 ExCom had 2 meetings, all dedicated to deal with current problems and concerns. MD officer has many activities to retain and recruit members. Nevertheless, by the end of 2021 our membership has dropped in numbers.

Students

There is one SB in our Section (Ss. Cyril and Methodius University SB), and several SB chapters (EDS, Computer, etc.). The section ExCom as well as chapter chairs are in close collaboration with student representatives on daily bases.

Affinity Groups

List of Affinity Groups (YP, LM, WiE, SIGHT, etc.), list of SB AGs, newly formed or dissolved AGs/SB AGs, if any since the last meeting reporting (Oct 2020). List the activities intended to support affinity groups.

In addition to the Young Professionals affinity group, a newly established Affinity Group at the North Macedonia Section is the Lifetime Members Affinity Group, established in November 2021. In December 2021, the group had their inaugural meeting, to elect the acting president and define their program.

We plan to consolidate our membership during the 2022. We are also planning to organize special celebration of the 25th anniversary of the North Macedonia Section.
