Proposals for improvements/Other Issues to report

Other Issues to report. Other Issues to report. Other Issues to report. Other Issues to report. Other Issues to report. Other Issues to report. Other Issues to report. Other Issues to report.

Points of Concern Our main concern is reaching IEEE Region 8 members. An email is sent to R8 chairs to announce that the TAB Committee on Standards (CoS) is looking for proposals from Societies and Councils (S/C) that currently have little or no standards activities. We are not sure if the chairs forwarded it to chapter chairs.

Proposals for improvements/Other Issues to report We may want to promote IEEE Region8 LinkedIn page to reach more people
