

Dracula's Castle and Transylvania Day Trip from Bucharest

The local organizing team will soon provide complete information about the tour with a live tourist guide accompanying the group (not an onboard pre-recorded audio). The price will include entrance tickets to avoid having cash where credit cards are not accepted or avoid the queues at the ticket offices.

Registration and advance credit card payment will be provided soon by the travel agency. In the meantime, below is some information from the web. As the second castle (Peles) is closed, our tour will visit Dracula's Castle and Brasov Historical Center, be more relaxed and start after hotel breakfast, approx. 8 am – 8 pm.
