

IEEE R8T- Region8 Today

120th IEEE Region 8 Committee Meeting Bucharest, Romania (25-26 March 2023)

Fatma Alzamel
EiC, R8T

About IEEE R8 Today and objectives

- IEEE Region 8 Today is the News Portal of the IEEE Region 8, sharing with IEEE members the great work being done on our Region . In addition to that, IEEE Region 8 Today, aims to give the opportunity to people who are not familiar with the IEEE, to have the chance to meet and understand what the IEEE is, by its members' actions.

Jordan

Obtaining information and publishing frequency

Two processes for obtaining information:

- **Pull process:** Sourcing content to R8 OUs (sections, chapters, committees and subcommittees, student branches, etc) and IEEE offices/MGA for more accuracy.
- **Push process:** The regional members will be sending info/content to the PnC channels using the editors@ieeer8.org alias and publication on.

Publishing Frequency:

The aim is to keep the portal updated and to publish the most recent activities/news in the region

Goals

Goals:

- Becoming the Region 8 Voice.
- To share the most-recent news happening in the Region 8.
- To keep our readers CONNECTED and UPDATED.
- Encourage volunteers' feedback.
