IEEE Morocco Section **Badr Eddine El Mohajir**

Section Vitality

Many Excom meeting have been held during this period to discuss and organize the activities program for this year.

Students

New SB created: AUI SB (Al Akhawayn University in Ifrane)

Some SB also had their election. Some of them organized many interesting activities which will be listed below.

Affinity Groups

IEEE WIE Morocco Section has been chosen to organize the WIE ILS R8 on November 2023.

Chapters

New chapter was created: IEEE Geoscience and Remote Sensing Society Chapter

Industry

See activities list below.

Activities since the last report

IEEE Excom

- October 15th 2022 Excom meeting, Online
- December 27th 2022 Excom meeting, Tetuan, Morocco
- January 28th 2023 Board Meeting : Discussing and planning upcoming events for YP
- March 2nd 2023 Meeting: Preparing the funding Request for Skill up Event, YP
- March 3rd 2023 The student branches IEEE Moroccan Congress, Online

Academic

- October 1st 2022 IEEE day, ENSAF SB, Fez, Morocco
- October 13th 2022 The 4th International Conference on Intelligent Systems for Cyber Threat Intelligence, Affinity Group CN, The African research center for IT and Cybersecurity, Morocco
- October 14th 2022 IoT for Digital Wireless Communication in Warehouses, Jt Chapter
- October 26th 2022 Mega Hackathon, INPT SB, Rabat, Morocco
- November 11th 2022 International Conference on Advanced Technologies for Humanity, SP01 Chapter
- November 26th 2022 Presenting IEEE at UAI to create a new SB,
- December 4th - 7th 2022 The 34th International conference for Microelectronics, Casablanca, Morocco
- December 14th 2022 IEEE Education Society Standards Development and Virtual Graduate Study Consortium Kick off Workshop,
- January 31st 2023 GRSS MENA chapter chairs and Ambassadors meeting, GRS29 Chapter
- March 7th 2023 IEEE collaboration's planning, ENSAF SB, Fez, Morocco
- March 10th2023 AI for Big Data using Python Workshop, UAE SB, Tetuan, Morocco
- March 11th 2023 The 5th Doctoral Day AIA, UAE SB, Tetuan, Morocco

Industry

- October 29th 2022 Skillup 2023 preparation meeting, Online
- December 16th 2022 The 100 days in codeland, ENSIAS SB, Rabat, Morocco
- January 18th 2022 Skillup 2023 preparation meeting, Online
- January 19th 2023 Git & Git hub Workshop, ENSIAS SB, Rabat, Morocco
- February 2nd 2023 AI mentorship webinar, ENSAF SB, Fez, Morocco

- February 10th 2023 Nwitat Talks, ENSAF SB, Fez, Morocco
- February 23rd 2023 Git & Git hub Workshop, UAE SB, Tetuan, Morocco
- February 23rd 2023 Climb the cloud, ENSIAS SB, Rabat, Morocco
- February 28th 2023 Skillup Aero AI Student competition presentation - Aircraft Maintenance Smart Assistant, Online
- March 4th 2023 Workshop: crafting clean software code, ENSAF SB, Fez, Morocco
