

The background features a complex network of interconnected nodes and lines, with several large, colorful hexagonal shapes (orange, blue, teal, purple) overlaid on the network. The nodes are represented by small colored circles in various colors like blue, orange, teal, purple, and yellow. The lines are thin and grey, creating a web-like structure. The overall aesthetic is modern and technical.

Region 4 update and opportunities to collaborate

*Vickie Ozburn, SRM
Region 4 Director*

The screenshot shows the Instagram profile for IEEE Region 4. At the top, the Instagram logo is on the left, a search bar with 'ieeer4' in the center, and navigation icons (home, search, post, activity, profile) on the right. The profile header includes the name 'ieeer4', a 'Following' button, and a 'Message' button. Below this, it shows '143 posts', '414 followers', and '22 following'. The bio reads 'IEEE Region 4', 'Science, Technology & Engineering', and 'Serving IEEE Members in all or parts of Illinois, Indiana, Iowa, Michigan, Minnesota, Nebraska, North and South Dakota, Ohio, and Wisconsin.' with a link to 'www.ewh.ieee.org/reg/4/index.php'. It also notes 'Followed by m.fallenstein'. The main content area has three tabs: 'POSTS', 'VIDEOS', and 'TAGGED'. Three posters are visible: 1) 'Evolution of Shock Protection in the Workplace' by PSES, dated 6:00 p.m. CT, 28th September 2022. 2) 'A Fossil Free Future for Cleanly Heating Homes and Businesses' by PSES, dated 12:00 p.m. ET, 28th September 2022. 3) 'AI BASED ZERO ENERGY COMMUNICATION IN 6G' by IEEE ComSoc, dated 12:00 P.M. CT, 21ST SEPT 2022.
