IEEE Morocco Section **Badr Eddine El Mohajir**

Section Vitality

Many Excom meeting have been held during this period to discuss and organize the activities program for this year.

Students

Some of them organized many interesting activities which will be listed below.

Industry

See activities list below.

Activities since the last report

IEEE Excom

- March 2nd 2023 — Meeting: Preparing the funding Request for Skill up Event, YP
- March 3rd 2023 — The student branches IEEE Moroccan Congress, Online
- April 28th – 30th 2023 — Extended ExCom and Spring Vitality Meeting, Al Akhawayn University, Ifrane
- July 13th 2023 — ExCom Meeting, Tetuan

Academic

- March 7th 2023 — IEEE collaboration's planning, ENSAF SB, Fez, Morocco
- March 10th2023 — AI for Big Data using Python Workshop, UAE SB, Tetuan, Morocco
- March 11th 2023 — The 5th Doctoral Day AIA, UAE SB, Tetuan, Morocco
- March 11th 2023 — Model-based Design Insights & Career path

Industry

- March 4th 2023 — Workshop: crafting clean software code, ENSAF SB, Fez, Morocco
- May 8th – 13th 2023 — Skill Up Aero & Competition, Tetuan

IEEE ENSA-FES
ORACLE
IEEE Collaboration's Planning
8:30 am Reception
9:00 am Opening ceremony
9:15 am ORACLE cloud infrastructure
10:15 am Cybersecurity
11:00 am Autonomous middleware
11:45 am Data science & big Data
12:45 pm Q&A
1:30 pm Lunch break
2:30 pm Research opportunities
3:30 pm Internship program
4:00 pm Collect CVs
7th March 2023

AIA'23
The 5th edition Doctoral Day on
Artificial Intelligence Applications
Saturday 11 March 2023
Topics
but are not limited to:
Track1 CI-AM
Computational Intelligence & Applied Mathematics
Mathematics for artificial intelligence
Artificial intelligence & data sciences
Machine Learning & Deep Learning
IoT for Smart City & Smart Home
Track2 PC-AI
Alliance between Physics-Chemistry & Artificial Intelligence
Artificial Intelligence & Chemistry
Artificial Intelligence & Physics
Modelling & computation in applied physical science
Track3 AI-LE
Artificial Intelligence for Learning & e-learning
Didactic & Pedagogical & learning Impact
Intelligent system & E-Learning tools
Data in Education and E-learning
Adaptive learning
Prospective authors are invited to submit original research papers via this link :
easychair.org/conference?conf=aia23 Or
AIA-DoctoralDay@uae.ac.ma
Accepted papers will be published in the proceeding
AIA23 will award best research paper awards, for the focused tracks and Posters
