

IEEE R8T- Region8 Today

**122th IEEE Region 8 Committee Meeting
Vienna, Austria, 2–3 March 2024**

Fatma Alzamel
EiC, R8T

About IEEE R8 Today and objectives

- IEEE Region 8 Today is the News Portal of the IEEE Region 8, sharing with IEEE members the great work being done on our Region . In addition to that, IEEE Region 8 Today, aims to give the opportunity to people who are not familiar with the IEEE, to have the chance to meet and understand what the IEEE is, by its members' actions.

Obtaining information and publishing frequency

Two processes for obtaining information:

- **Pull process:** Sourcing content to R8 OUs (sections, chapters, committees and subcommittees, student branches, etc) and IEEE offices/MGA for more accuracy.
- **Push process:** The regional members will be sending info/content to the PnC channels using the editors@ieeer8.org alias and publication on.

Publishing Frequency:

The aim is to keep the portal updated and to publish the most recent activities/news in the region

Goals

Goals:

- Becoming the Region 8 Voice.
- To share the most-recent news happening in the Region 8.
- To keep our readers CONNECTED and UPDATED.
- Encourage volunteers' feedback.

Issues

- ExactMetrics access needed.

Sorry, you are not allowed to access this page.

- Lack of representation from the whole region.
- SEO Access needed.

The screenshot displays the Yoast SEO dashboard for a WordPress site. The left sidebar contains navigation options: Dashboard, Blog Posts, Media, Pages, Comments (1), Teams, Profile, Tools, WPBakery Page Builder, Yoast SEO, Workouts (Premium), Redirects (Premium), ExactMetrics (3), and Collapse menu. The main content area is titled 'SEO workouts' and includes an introductory message: 'Getting your site in shape and keeping it SEO fit can be hard. We can help you get started! Take these step-by-step workouts, and you'll be tackling some of the most fundamental SEO challenges!'. Two workout cards are visible: 'THE CORNERSTONE APPROACH PREMIUM' with the goal 'Rank with articles you want to rank with' and 'ORPHANED CONTENT PREMIUM' with the goal 'Clean up your unlinked content to make sure people can find it'. Both cards list specific tasks and feature an 'Unlock with Premium!' button. At the bottom of each card, it indicates '0/3 steps completed'.

Proposals for improvements

- Sharing more R8-related content and hot-topics
- Expanding the audience reach
- Having contributors from all over the region (Call for representers)

Thank you!
