Region 6 2024 OpCom - March 15-17th, Seattle

R6 OPCOM

This is the annual meeting for Region 6. All R6 section chairs should attend (Region will support the section chair's attendance) and please consider sponsoring others from your section to attend.

What to expect:

- ▶ Meet the Area Chairs and other Section Chairs
- ▶ Workshops on tools, best practices and more
- ▶ Presentations by leads on IEEE's overall 2024 Goals and the Region's Goals and Objectives
- ▶ Networking with R6 and IEEE leaders
- ▶ ...And have some fun!

IEEE EDUCATION WEEK

Celebrate Education from IEEE!

14 April – 20 April 2024

Educational events and resources designed for you:

IEEE Education Week is a weeklong celebration of educational opportunities provided by IEEE and its many organizational units, societies and councils from around the world. IEEE Education Week is a great way to explore education programs and offerings from IEEE.

A professional working in a technical field

A university student or faculty member

A pre-university STEM enthusiast

Section Vitality Checklist (from MGA Operations)

First Quarter of the Year (January – March)

- Complete and submit all IEEE mandated documentation (e.g. Meeting Reports, Financials close the previous year.
- Report all Section Officers, Affinity Group, Chapter, and Student Branch Chairs.
- Update Section website.*
- Does your Section have Social Media presence (Facebook, Instagram, etc)
- Train new officers through the Center for Leadership Excellence.
- Are you familiar with vTools?
- Promote use of Section Vitality Dashboard, vTools and SAMIEEE. *
- Review /Update local operating procedures.
- Plan and budget for Section, Chapter, and Affinity Group activities for the year.
- Organize a workshop for Chapter and Affinity Group Chairs.
- Conduct joint meeting with student branches, e.g. technical presentation, Student Professional Activities Conference (S-PAC).
- Reach out to non-renewing members before the deactivation date (end of February)
- Review meeting reporting on vTools for all local units and bring it up to date

Planning Virtual Events

- Decide on a topic or idea for an event
- Announce, e-notice and social media
- Rehearse connection with speaker ahead of time
 - test camera, sharing, firewalls ok etc
- Leave time for Q and A sessions to break up the session
- Prepare some sample questions ahead of time (OK to ask speaker for questions)
- Keep within 60 minutes (including Q&A)
- Take a group picture on the online platform
- Consider sharing or sponsor event from multiple chapters
