

# Territories in Crisis

- ▶ New Ad-Hoc committee with focus on establishing support for members (and wider) in territories in crisis
- ▶ Different types of crisis identified:
  - Wars
  - Natural disasters
  - Economic and financial issues (e.g. Inflation)
- ▶ We need active volunteers – please reach out to us if you are interested

## Examples and practices

# Examples and practices

# Short term goals

Initial brainstorming:

- ▶ Establish point of contact for IEEE members from section/territories in crisis
- ▶ Establish procedures for Section to apply for special status of “Territory in Crisis”
- ▶ IEEE recognition of a Section in crisis – e.g. no OU dissolution, special programs, financial support, tailored communication
- ▶ Exploitation of IEEE Network (internships, scholarships, job opportunities)
