Neuimer**

**Haya  
Yousef**

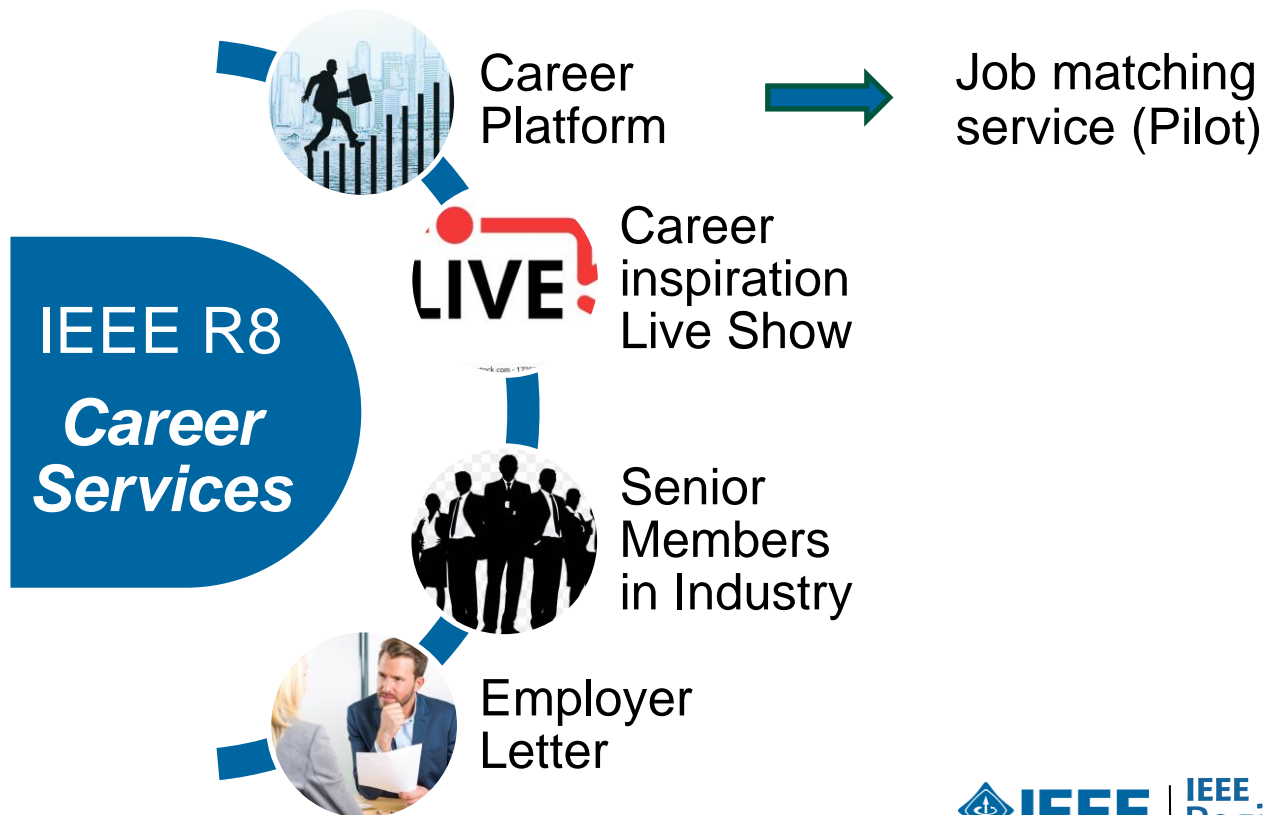

# Career services

## 2024 Goals

1. **Strengthen** the collaboration between Career services and Industry programs in AFI, Entrepreneurship, Membership development, YP and WIE to better serve our members.
2. **Promote** IEEE career related content via expanding Career Inspiration Live Show program.
3. **Collaborate** with external entities like corporates, government, and career event's organizers to promote IEEE as professional home and bring back benefits to our members.

## Career and Professional Development Resources

IEEE offers multiple avenues to discover, learn about, and invest in your career path.

- View career opportunities and tools on the IEEE Jobsite and other resources
- Network with industry professionals at IEEE events and conferences
- Gain recognition for attaining advanced skillsets with Senior Member and Fellow grades
- Keep up with technology for multiple engineering disciplines with IEEE Society Resource Centers
- Learn a different skill, network, and give back to the community with the IEEE Mentoring Program

HD Facing problems?

# Career inspiration Live Show

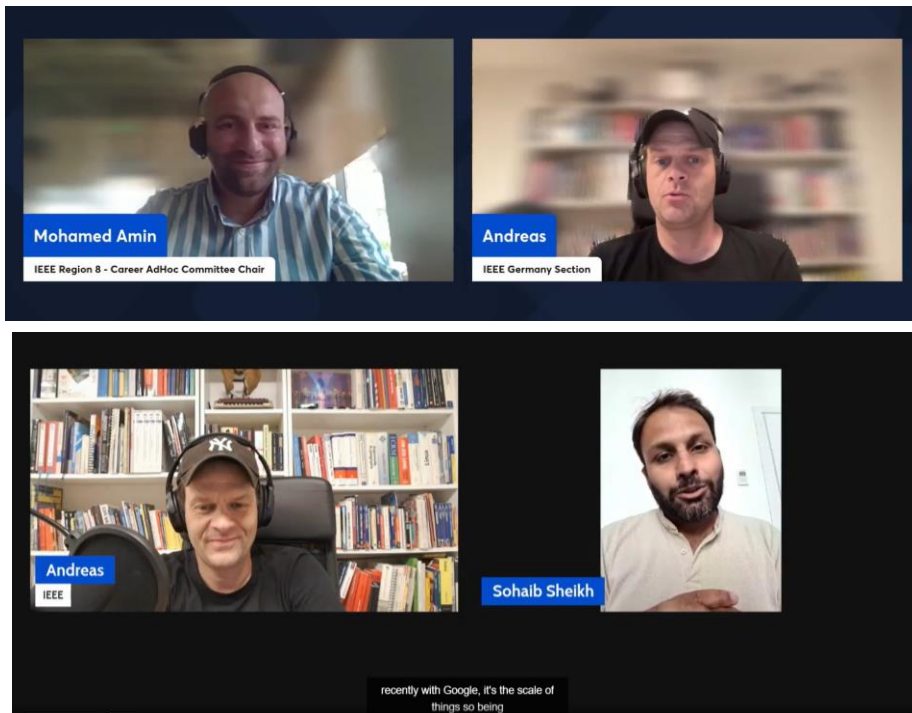

IEEE Career Inspiration is a live show hosted by Andreas Neumeier "where we'll be featuring live interviews with IEEE successful professionals from diverse industries.

The aim is to showcase a dynamic conversation with top talents from the tech industry, who will share their personal journey, career insights, and tips for success.

## Episode 1

**Featuring Sohaib Sheikh**, a Senior IEEE Member and Technical Program Manager at Google

# Senior Members in Industry - Push program

## In collaboration with **Membership Development & Senior members search Ad Hoc** :

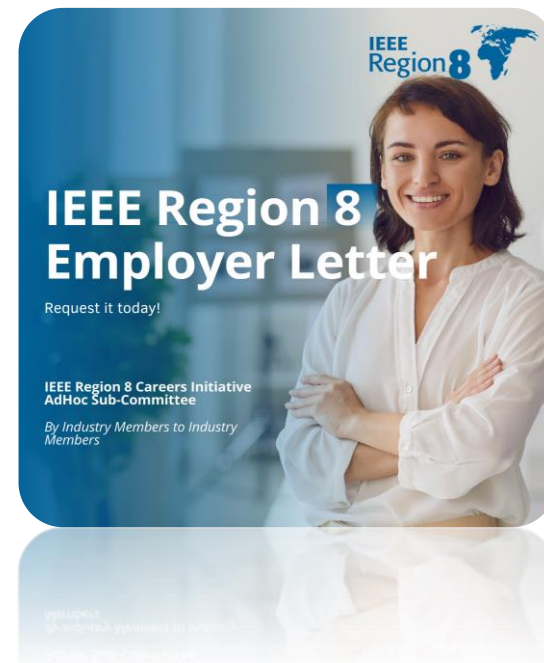

- Identify eligible members working in Industry
- Identify potential members to be elevated to Senior Members
- Support those members to apply for Senior Membership
- Section Chairs can prepare a ceremony to present the plaque to the new IEEE Senior member in their company premises or via online celebration
- Celebrate & recognize IEEE R8 Senior members achievements in Industry

Showcase your  
IEEE Region 8  
experience in  
your industry  
workspace.
