

Director-elect

Mike Hinchey

Goals

Preparing for handover at end of year. Continuing oversight with SVD (elections, encouragement of new (sub-)sections), and of publications/website.

Status

- Attending MGA and BoD meetings (unable to make Toronto meetings series)
- Oversight of SVD (elections/new (sub)Sections)
- Working on plans for website revamp
- Member of N&A committee
- Support various R8 events
 - Kazakhstan event
 - VLT, Skopje
 - Milestone event, Birmingham UK
 - AIEEE event, Lithuania
 - Keynotes at IEEE and TCS events, talk at TryEngineering

Outlook

- Working with Ana Madureira on election issues.
- Working with Nick Wainwright on website overhaul
- Planning for appointment of Chairs and committee members post handover event in November.

Points of Concern

Issues with a number of sections in relation to elections and relationship between members.
