

IEEE Morocco Section

EL MOHAJIR Badr Eddine

Section Vitality

The last section elections were held on March 2024 and the new ExCom took place this month and since then many ExCom meetings have been organized officially and many others unofficially.

Students

Some SB also had their election. Some of them organized many interesting activities which will be listed below.

Affinity Groups

New affinity group created: Al Akhawayn University Women in Engineering Student Branch Affinity Group.
