Vision and Mission

Vision:

- ▶ To create a vibrant, inclusive, and innovative environment for IEEE Region 8 student members, empowering them to become the next generation of IEEE leaders.

Mission:

- ▶ To enhance IEEE Region 8 student engagement through impactful programs, foster leadership development to ensure the student's vitality.

Key Objectives

1. Increase the **Regional/Global Student Engagement** and **Empowerment Initiatives**.
2. Promoting **Diversity, Equity, and Inclusion** in IEEE Communities.
3. Developing a **Long-Term Vision for IEEE R8 Student Retention**.
4. Create **Leadership Development** and **Capacity Building** Programs.
5. Enhance the **Awareness of IEEE Recognition and Awards**.
6. Building Stronger **Inter-Regional Collaboration**.

Proposed Plan

As the R8 Vice-Chair for SA

The key objectives will be achieved:

- a. Maintain SBs reporting encouragement.
- b. Ensure the vitality (student membership retention) of SA within R8.
- c. Coordinate with other Vice-Chairs to align with their visions in the student level.

Proposed Plan

As the R8 SAC Chair

The key objectives will be achieved:

- a. Initiating new interactive activities that will allow experience exchange among the different OUs within the Region.
- b. Enhancing the experience of Regional and Cross-Sectional SYPs by close working with R8 YP committee for organization of cross-sectional congresses and next R8 Congress.
- c. Creating interactive quarter meetings with the R8 SSACs – SSRs.
- d. Implementation of leadership focused programs for students.
- e. Increasing awareness of student awards.
- f. Close coordination with RSR and the team to increase student participation in already designed SAC initiatives, activities and programs.

Proposed Plan

As an MGA SAC Rep.

The key objectives will be achieved:

- a. Addressing the challenges that R8 students face, raised by them or observed by the R8 SAC committee.
- b. Seek for support to the new initiatives enhancing the diversity and inclusion within the R8 students.
- c. Coordinate with the common tasks within the MGA SAC.

Conclusion

- ❑ This proposed plan aims to create a **dynamic and supportive environment** for IEEE student members by focusing on **enhancing engagement, developing leadership, and strengthening collaboration**.
- ❑ This strategic approach will **benefit current students** and **ensure a sustainable and shining IEEE student community** for the future.
