

Life Members (LM) Committee

Peter Magyar

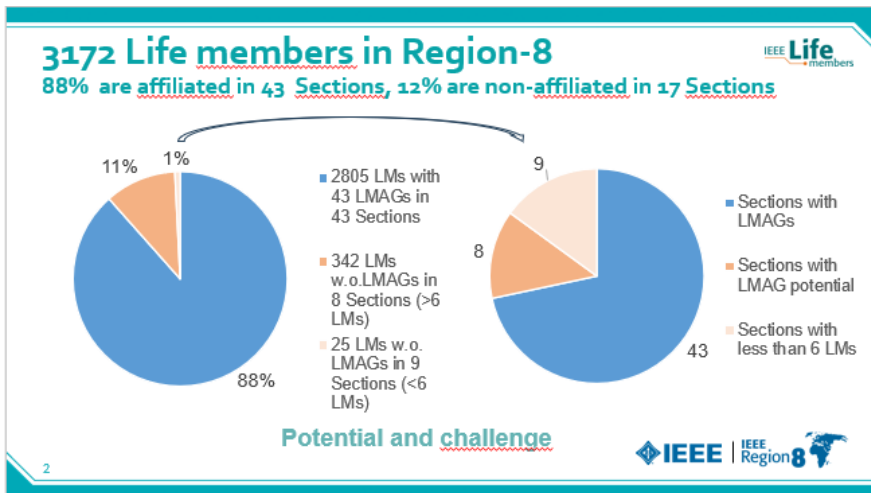

Goals

LMAG Development

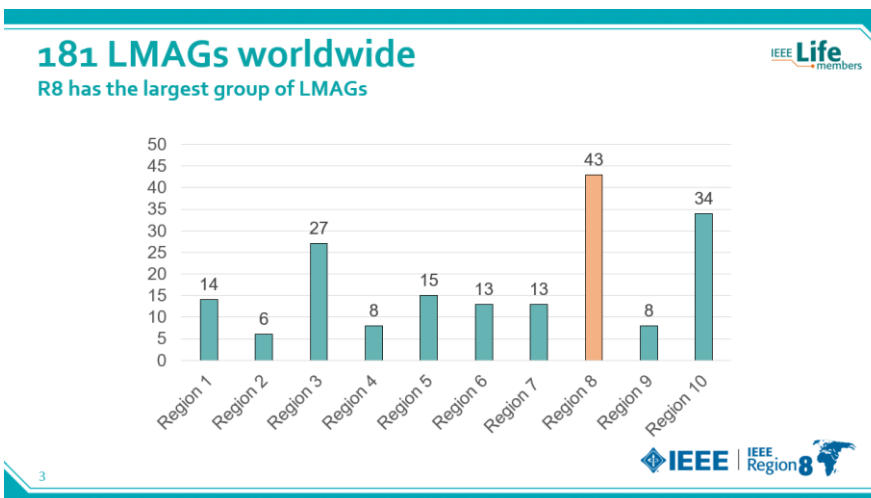

1. It has been achieved that 87% of the LM-grade R8 membership was connected by LMAG 2024 Q1. The remaining potential development has been connected with two areas, a) Africa Council (1% of the membership) b) potential 9 Sections with more than 6 LM/Section.
2. With intensive cooperation with the leadership of the Africa Council, the Africa Council LMAG has been formed covering 10 Sections and 7 Subsections in 2024 Q2.
3. The second targeted group has consisted of the Sections Iceland (6), W. Saudi Arabia (7), UAE (13), Ukraine (15), Austria (30), Denmark (49), Finland (55), Norway (63) and Sweden (134). The count of the LM-grade members are in brackets.
Intensive activity was running in Ukraine, Austria and the Scandinavian Sections.
4. As a first result, Austria Section LMAG has been formed on 23 Sept 2024.

Progress against goals since the last report

Membership overview.

R8 position in worldwide comparison
