Section Vitality

We have had elections in 2023, electing the Vice-Chair that will be the next Section Chair, in 2026. We have had 2 Section ExCom meetings in 2024, regarding financial and management aspects of the Section.

Students

We have 22 Students Branches in the Section (list not provided by the extension). They are working, however the activity in the Branches is still recovering since Covid pandemic.

Affinity Groups

We have YP, LM, WiE, SIGHT, Affinity Groups in the Section. In March of this year, the Consultants AG was created in the Section. There are frequent activities in the AG, they are all active. This year, there have been elected new authorities in LM AG.

Chapters

We have 21 Chapters in the Section (full list not provided because of the extension). A new Chapter, related with EMBS Society, was created in April 2024.

Industry

Renault Group requested us for research groups in several areas of interest. We have researched between our members and suggest to the group 60 research groups, sending to the Group letters and resumes of research areas of each one of them.

Diversity, Equity and Inclusion

In last month, we have signed an agreement with Courier (Montilla site) for improving the activities of the company in WIE. WIE are also performing activities in medium schools, promoting STEM vocations. The Section is collaborating with them.

Activities since the last report

Many activities have been performed in this year. Perhaps, we can highlight that, from January 2024, we are sending a e-Newsletter to our members with performed and incoming activities in the Chapters and in the Section, to improve synergies between members.

Planned activities

Nowadays, our most important concern is related with the reactivation of some dormant Student Branches. Besides, a Local Group on Artificial Intelligence is in process of creation.

How Region 8 can be of help to your Section, members, and activities

We consider that the activity of Region 8 is adequately performed.
