

History Activities Coordinator

Martin J. Bastiaans

The History Activities Coordinator is assisted by Tony Davies, Past History Activities Coordinator (2013–2020), and the current or past IEEE History Committee members Antonio Savini (2022–2025), Evgen Pichkalyov (2022–2023), Mathini Sellathurai (2024–2025) and Sergei Prokhorov (2022–2025).

The team can be contacted via history@ieeer8.org.

Please check our webpages Region 8 History Activities and History of IEEE Region 8 on a regular basis.

A. Focal points for 2025

• IEEE Milestones, see http://ieeemilestones.ethw.org/IEEE Milestones Program

The IEEE Milestones program honors significant technical achievements in all areas associated with IEEE. It is a program of the IEEE History Committee, administered through the IEEE History Center. Milestones recognize the technological innovation and excellence for the benefit of humanity found in unique products, services, seminal papers and patents. Milestones are proposed by any IEEE member, and are sponsored by an IEEE Organizational Unit, such as an IEEE Section, Society, Chapter or Student Branch. After recommendation by the IEEE History Committee and approval by the IEEE Board of Directors, a bronze plaque commemorating the achievement is placed at an appropriate site with an accompanying dedication ceremony.

- Sections are advised to propose Milestones for significant achievements that took place in their Section. If necessary, a
 list of achievements suitable for Milestones is available, but we need volunteers maybe a group of Life Members? –
 to work out a proposal.
- An additional sign placed in the vicinity of the official Milestone plaque, with a QR code leading to a link with a
 description of the Milestone, may draw more attention to the Milestone and provides to the general public an easy
 way to more specific information about it.
- Documenting the history of Region 8 Sections at the Engineering and Technology History Wiki, see https://ethw.org/
 The Engineering and Technology History Wiki (ETHW) is a wiki-based platform that allows IEEE members and Organizational Units to collaboratively preserve and share their history (including, for instance, the history of individual
 IEEE Sections). ETHW hosts the Milestones, Oral Histories, and Archives programs, and also allows IEEE members to
 contribute to Wikipedia-style topic articles or to preserve their own first-hand histories.
 - Sections are strongly advised to document their history at the ETHW website. The Region 8 history book A short history of IRE Region 9 / IEEE Region 8 may form a source of information and of inspiration for what to preserve. For your convenience, the table of contents of the book has been included at the end of this report. The IEEE History Center staff have created a template that ETHW users can follow to update their page with relevant information that conforms to the ETHW's manual of style and scope. The template can be found here.
 - Sections are also advised to look for scientists and engineers who achieved important scientific or technical results that – although not qualified for a Milestone – may deserve a broader attention; such people could be interviewed and the interview can then be made public as an 'Oral History'.
 - Sections are advised to appoint a History Coordinator. Please inform me about the person in your Section who acts
 as the History Coordinator; I can then get into contact with these coordinators directly.
- Region 8 history book, available at https://ethw.org/w/images/a/a6/R8_history.pdf

The book *A short history of IRE Region 9 / IEEE Region 8* presents a history of IEEE Region 8 spanning its origins from the IRE Region in Europe, through the IRE/AIEE merger forming the IEEE and subsequently to the present day Region 8 consisting of Europe, the Middle East, and Africa. Included are personal reflections of past directors, committee meetings and conferences, student activities, award recipients from Region 8, and Region 8 history papers presented at HISTELCON 2012. A number of archival documents are attached as appendices, including ephemera and minutes from early Region 8 Committee meetings.

The table of contents of the book has been added at the end of this report for easy reference.

- This book is a living document and is updated whenever new material becomes available. Feel free to send any comments and suggestions for additions to m.j.bastiaans@ieee.org.
- o The book may form a source of information and of inspiration for what to preserve in a Section's history document.

Miscellaneous

- HISTELCON 2025, Bonn, Germany, 30 September 2 October 2025. Contributions from Region 8 are solicited for this Region 8 flagship conference. Paper submission (.pdf) deadline: 14 April 2025 (resulting in an early notification of acceptance, and particularly advised to be used by participants from countries for which a visa is required) or 25 May 2025.
- History of IEEE since 1984 is a wiki webpage that is currently in progress. Contributions from Regions 7–10 are very welcome, otherwise the book may be USA-dominated.

B. Recent Milestone dedications in Region 8

None since the previous report.

The total number of dedicated **Milestones** in Region 8 is currently **64**, with 66 plaques located in 18 Sections: Benelux (4), Croatia (1), Denmark (1), France (7), Germany (6), Hungary (1), Israel (2), Italy (9), North Macedonia (1), Norway (1), Poland (2), Russia (Northwest) (2), Serbia and Montenegro (1), South Africa (1), Spain (2), Sweden (1), Switzerland (2), UK and Ireland (21), and Ukraine (1). Note that France and UK and Ireland have one Milestone (#44) in common, with different citations on the plaques, and that one of the Milestones in Poland (#205) has a duplicate plaque in Germany. Multiple plaques for the same Milestone in the same Section are not added to the count.

In addition to the actual Milestones, there are 2 **Special Citations**: one in Serbia and Montenegro (#1) and one in Germany (#3). Special Citations recognize events or institutions which – although not technical achievements as defined by the Milestone Program – have contributed to the profession. Examples might be: museums or archives with substantial holdings pertaining to the history of electrical engineering and computing, the holding of a seminal conference, or the formation of a technical society.

C. Recently approved Milestones in Region 8

- Antwerp, Belgium, Asymmetric Digital Subscriber Line (ADSL) enabling broadband internet, 1993–1997; approved 16–02–2025
 - Dedication ceremony to be decided
- Heverlee, Belgium, Rijndael and the Advanced Encryption Standard (AES), 1995–1998; approved 16–02–2025 Dedication ceremony to be decided
- Galway, Ireland, Anderson bridge, 1891; approved 27–09–2024 Dedication ceremony planned for 5 September 2025
- Grenoble, France, and Agrate Brianza, Cornaredo, Catania, Italy, Integrated circuits for satellite digital radio, 1996–1997; approved 27–09–2024
 - Dedication ceremony planned for 24 June 2025
- Frankfurt, Germany, Long distance electric power transmission using three-phase alternating current, 1889–1912; approved 23–06–2024
 - Dedication ceremonies in Szczecin, Zielona Góra, and Frankfurt planned for 9-12 June 2025
- Haifa, Israel, *Intel 8087 Math Coprocessor*, 1980; approved 19–11–2023 Dedication ceremony postponed

A list of all **IEEE Milestones and Special Citations in Region 8** with links to ETHW and to their locations on Google maps, including the ones that are currently under investigation by the IEEE History Committee, is available here (.xlsx).

D. Events

- HISTELCON 2025, Knowing the past for preparing the future: History of technology for meaningful goals in the age of AI, will take place in Bonn, Germany, 30 September 2 October 2025.
 - HISTELCON **HIST**ory of **EL**ectrotechnoly **CON**ference is a flagship conference series of IEEE Region 8 held every two years and is dedicated to any aspects of the history of electrical engineering, electronics, telecommunications, computing, and their impact on social and economic development. HISTELCON 2025 will be the ninth HISTELCON, with predecessors in Paris (2008), Madrid (2010), Pavia (2012), Tel-Aviv (2015), Kobe (2017, together with Region 10), Glasgow (2019), Moscow (2021), and Florence (2023).
- The **proceedings of HISTELCON 1 through 8**, available in IEEE Xplore, are now freely accessible for everyone without any payment:
 - 1) Paris, France, 11–12 September 2008
 - 2) Madrid, Spain, 3-5 November 2010
 - 3) Pavia, Italy, 5–7 September 2012
 - 4) Tel Aviv, Israel, 16–21 August 2015, held jointly with the 42nd annual meeting of ICOHTEC, the International Committee for the History of Technology: History of High-Technologies and Their Socio-Cultural Contexts
 - 5) Kobe, Japan, 7-8 August 2017, together with IEEE Region 10
 - 6) Glasgow, United Kingdom, 18-19 September 2019
 - 7) Moscow, Russia, 10-12 November 2021
 - 8) Florence, Italy, 7–9 September 2023 (unfortunately not yet freely accessible)

E. Activities of the History Activities Coordinator

- Updated the **History Activities** webpage and the **History** webpage on the Region 8 website.
- Updated the **Region 8 history book** (.pdf).
- Updated the **list of Sections and Subsections in Region 8** (.xlsx); see also Section 2.4 in the Region 8 history book.
- Updated the Membership statistics at year end (xlsx); see also Section 2.6 in the Region 8 history book.
- Updated the list of Region 8 Committee meetings (.xlsx); see also Chapter 5 in the Region 8 history book.
- Updated the **list of Region 8 Conferences** (.xlsx); see also Chapter 6 in the Region 8 history book.
- Updated the list of Region 8 Student Paper Contest finals (.xlsx); see also Section 7.5 in the Region 8 history book.
- Updated the list of Award recipients who reside in Region 8 (.xlsx); see also Chapter 8 in the Region 8 history book.
- Updated the **list of IEEE Milestones in Region 8** (.xlsx); see also Section 9.2. in the Region 8 history book.
- Updated the list of IEEE Directors residing in Region 8 (.xlsx).
- Updated the list of Region 8 Section history officers (xlsx)
- Updated the list of Region 8 History Network subscribers (.xlsx)
- Updated the **list of Oral Histories related to Region 8** (.xlsx) with links to ETHW; see Alex Acero (Spain), Archie Campbell, John Clarke and Tariq Durrani (UK and Ireland), Linda Katehi (Greece), Peer Martin Larsen (Denmark), and Kurt Richter (Austria).
- 11/12-10-2024: Participated in the **IEEE Day Alpine Day** and Region 8 LMAG/HA meeting in Brugg-Windisch, Switzerland.
- 19/20-10-2024: Attended the October meeting of the IEEE Region 8 Committee in Vienna, Austria.
- 05-12-2024: Attended the HISTELCON 2025 Steering Committee teleconference.
- 30-12-2024: Attended the 'Farewell' teleconference of the Region 8 Member Activities team.
- 30-01-2024: Attended the HISTELCON 2025 Steering Committee teleconference.
- 28-02-2024: Attended the HISTELCON 2025 Steering Committee teleconference.
- 10-03-2025: Attended the Q1 teleconference of the Region 8 Member Activities team.

G. Table of contents of the Region 8 history book 'A short history of IRE Region 9 / IEEE Region 8'

- Preliminary steps towards and the early history of a new Region
 - o Information taken from the Benelux Section archives
 - o IRE Region in Europe Bruce B. Barrow
 - o A Region's 'Birth Certificate'
 - o The start of Region 8 and its Sections Robert C. Winton
 - o IRE/AIEE Merger Bruce B. Barrow
- The later history of IEEE Region 8
 - o The creation of IEEE Region 10 and the extension of Region 8
 - The Eastward spread of Sections in Region 8 Tony Davies
 - Yugoslavia Section from 1971 to 1992 Baldomir Zajc
 - The present IEEE Region 8 Sections
 - o Geographic Unit statistics at year end
 - o Membership statistics at year end
- IEEE Region 8 Operating Committees and Appointed Members
 - o Operating Committees
 - Appointed Representatives
 - o Appointed Coordinators and Subcommittee Chairs
 - o Past Directors gallery
- Personal reflections of Past Directors
 - Jean D. Lebel (Director 1965–1966)
 - o Rolf Remshardt (Treasurer 1983–1998, Director 1999–2000)

- Anthony C. Davies (Director 2003–2004
- o Baldomir Zajc (Director 2005–2006)
- IEEE Region 8 Committee meetings
- IEEE Region 8 conferences
 - o EUROCON 71 Reminiscences by Fritz Eggimann
 - o Conference activities in Region 8 The first 30 years Jacob Baal Schem
 - Conference activities in Region 8 After the first 30 years Baldomir Zajc
- Student activities
 - o The early years of IEEE Region 8 Student Activities until 1984
 - Student Activities Committee meetings until 1984
 - o Student Branch (and GOLD / Young Professional) Congresses
 - o Cross-Sectional Student Branch (and GOLD / Young Professional) Congresses
 - Student Paper Contest Finals
- IEEE Award recipients from Region 8
 - o Medal of Honor
 - IEEE Major Medals
 - o IEEE Recognitions
 - IEEE Service Awards
 - IEEE Corporate Recognitions
 - IEEE Prize Paper Awards
 - o IEEE Technical Field Awards
 - o Presidents' Change the World Competition
 - Member and Geographic Activities Board Awards
 - Educational Activities Board Awards
 - Joint Awards Established with National Societies
 - o Region 8 Awards
 - Life Members Awards
- Miscellaneous lists
 - Region 8 News
 - o IEEE Milestones in Region 8
 - o Miscellaneous
- History papers presented at HISTELCON 2012
 - o Researching the roots of IEEE Region 8 Martin J. Bastiaans
 - Setting up the basis for Region 8 Jean D. Lebel
 - o Conferences, technical societies and development A history of synergy Jacob Baal-Schem
 - o ...Go East, Region 8, Go East ... Anthony C. Davies
- Appendices
 - o Minutes of the meeting of the IRE Inter-Sectional Committee
 - o Birth certificate
 - o IEEE Regions after the merger
 - o Invitations/agendas for the IRE Region 9 Committee meetings
 - Minutes of the two IRE Region 9 Committee meetings
 - o Invitations/agendas for the early IEEE Region 8 Committee meetings
 - Minutes of the early IEEE Region 8 Committee meetings
