Benefitting IEEE's Mission

Inspire Philanthropic Investment in IEEE

- Enabling donors to invest in IEEE Programs
- Matching donors to their favorite IEEE Programs

Manage Donations for IEEE

- Ensuring effective financial management & strong governance
- Stewarding donors and their gifts

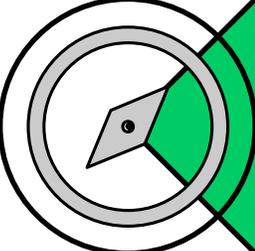

Invest in IEEE Programs

- Turning donations into action and impact
- Providing philanthropic guidance

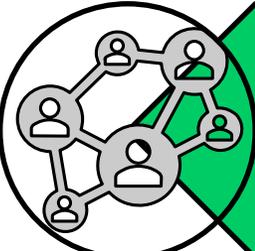

What We Do

Lend philanthropic guidance and expertise

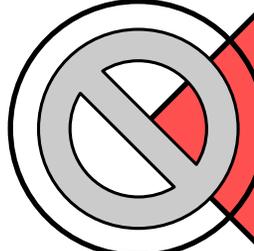

Manage financial intake and reporting

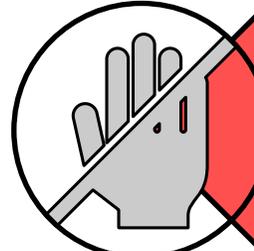

Connect donors with programs that match their interests and values

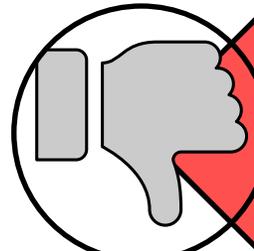

What We Don't Do

Operate without Significant IEEE Partnership

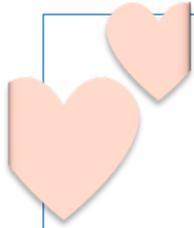

Manage IEEE Programs

Invest in programs NOT affiliated with IEEE

How to Ask for Support

The Foundation is interested in supporting:

- New and existing projects and programs that improve access to technology, enhance technological literacy, and/or support technology education
- Fundraising dollar match opportunities

Proposed Programs/Projects:

- Expected to result in measurable and lasting impacts
- Operated by an IEEE units

For details, criteria, terms & conditions and forms visit: <https://www.ieeefoundation.org/funding-requests>

Supporting the IEEE Foundation

Help Us Grow our Impact by Sharing Your...

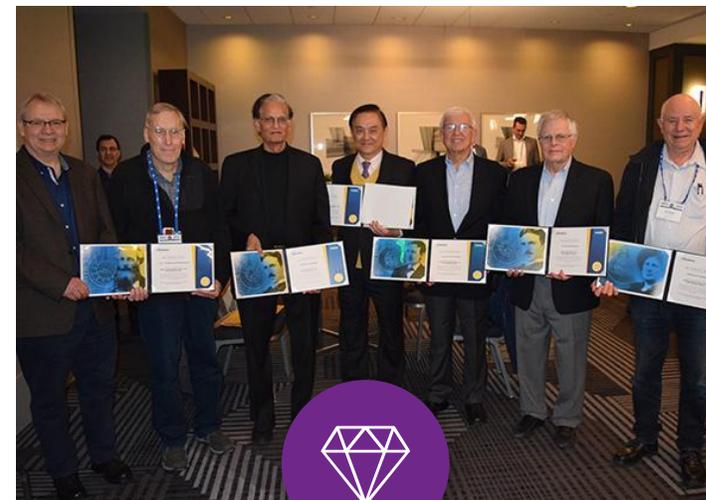

Time

Share your most precious asset – **time** – to advance an IEEE program

Talent

Share your unique **talents**, knowledge, and experience to help an IEEE program deliver its mission

Treasure

Share your **treasure** by making a donation to an IEEE program

Help Us Help IEEE

- Share success stories about donor supported programs
- Lead by example by making a philanthropic gift to your favorite program – ieee.org/donate
- Leverage your company's matching gift program to double the value of your gift
- Encourage your fellow IEEE members to donate
- Work with the IEEE Foundation to thank donors, find new donors, and more!

Our Vision

To be the heart of IEEE charitable giving and philanthropy.

Our Mission

To expand the IEEE charitable body of work by inspiring philanthropic engagement that ignites a donor's innermost interest and values.

Our Core Values

- **Integrity**
We act ethically and respectfully in every relationship and fulfill our obligations in a trustworthy, transparent, and fair manner.
- **Excellence**
We challenge ourselves to deliver the very best in all we do, embrace the power of focus, and drive for meaningful outcomes.
- **Collaboration**
We promote an inclusive and equitable culture and support global programs to enable the world's citizens to invest in the application of technology that collectively benefits all humanity.
- **Stewardship**
We act with courage to advance diversity in the technical profession, shape a more impactful future in the pursuit of transformational change and make decisions with focused purpose to safeguard the assets entrusted to us.
