Data provided by Liana Murray

Region-sponsored Conferences for both Students AND Young Professionals

- ▶ Region 8 – Student & Young Professional Congress (R8 SYP) (est. 2006)
 - 2024 in Grenoble, France
 - 2026 TBA
 - *The congress is a melting pot of innovation, fostering engineering sense and capabilities, and providing a global platform for networking with industry leaders.*
- ▶ Region 10 – Students, Young Professionals, Women In Engineering and Life Members Congress (R10 SYWL) (est. 2002 for Students)
 - 2024 in Tokyo, Japan
 - 2026 in Melbourne, Australia (Vijay Paul)
 - *IEEE will foster a collaborative environment that is open, inclusive, and free of bias and will continue to sustain the strength, reach, and vitality of our organization for future generations*
- ▶ Region 6 – Rising Stars Conference (est. 2015)
 - 2025 in Las Vegas, Nevada
 - 2026 in Las Vegas, Nevada
 - *Where Students and Young Professionals Come to Connect and Be Inspired.*
- ▶ Region 9 – Rising Stars Latin America & Caribbean
 - 1st year 2025 in Panama City, Panama
 - Supported by the Rising Stars Conference leadership

The 11th IEEE Rising Stars Conference

 MORE INFO

Record **409** registered!
(Top 28% of IEEE
conferences)
More than 35 speakers!
Over 25 supporters!
2.5 Days of Learning and
Networking!

The Luxor Hotel
Las Vegas, Nevada

(Friday to Sunday) January 3-5, 2025

- *Why are you here?*
- One of the highest profile events in IEEE
- Serves as a value bridge between the world of emerging professionals, innovation, new technology, and the companies responsible for the next generation of products and services
- Topics driven by attendee input, committee research, and by emerging technologies and industry trends
- Demographic reflective of the industry
- Section support is key to developing the next generation of young volunteers

The Starting Lineup – Why do these events?

- ▶ Scott Tamashiro - Manager
- ▶ Elizabeth Farkas – 3B Coach
- ▶ Denise Griffin – Third Base
- ▶ Peijung Tsai - Catcher
- ▶ Sarp User – Center Field
- ▶ Nick Volpe – First Base
- ▶ Yash Puneet - Shortstop
- ▶ Alberto Tam Yong – Second Base
- ▶ Georolyn Ngo – Relief Pitcher
- ▶ Phil Bautista – Designated Hitter
- ▶ Dominic Simon – Left Field
- ▶ Mike Andrews – Starting Pitcher

Thank you! The Rising Stars Experience is Jan 2-4, 2026
