TO: IEEE Region 8 Committee, April 2025  
FROM: Adam Jastrzebski, Region 8 Treasurer  
SUBJECT: Approval of the 2025 Region 8 budget v.1b

---

## **EXECUTIVE SUMMARY**

At the time of the R8C meeting in Bordeaux in October 2024, the R8 Committee approved provisional budget plan v.0 which assumed the same figures for 2025 Budget as in Budget 2024.

At the OpCom meeting in Morocco in November 2024, it was decided not to update v.0 as there was not enough information.

Due to the late amendments to some of the 2024 expense details and delays in financial closing of substantial external grants we had in 2024, actual spending in 2024 could only be reconciled in March 2025. As the result, the proposal for the Budget v.1 was sent for comments to OpCom only recently. These comments have been included in the proposed here Budget v.1b.

The budget predicts a similar actual annual regular income as in 2024, with additional amount of \$44,060 from the continuing and newly awarded grants. Therefore, the planned Budget v.1 is \$35,385 larger than v.0, but not by a full amount of the grants. The Budget assumes that the transfer of the surplus, accruals and savings from 2024 and from the accumulated during the COVID period reserves will be \$463,800 it total, i.e. \$2,570 less than in the previous year.

## **PROPOSED ACTION**
