THE IEEE HONOR SOCIETY

IEEE-Eta Kappa Nu

Developing the next generation of engineering leaders

Founded in 1904, IEEE-HKN is the official honor society of IEEE, recognized internationally as a champion of *achievement, character,* and *service* within IEEE's technical fields.

Through HKN, students contribute more than 100,000 hours of service each year to their communities. They become ethical leaders, ready to take on the challenges of the world.
