## New Technical Co-Sponsorship Fee

• Application received after 1 January 2018, in which an MGA Geographic Unit is a technical co-sponsor and there is no IEEE financial sponsorship

- This fee is \$1000 per TCS conference, and \$15 per paper sent to IEEE Xplore.
- If multiple IEEE Organizational Units (OUs) technically co-sponsor the same conference, the fee will be divided equally between all IEEE sponsors (i.e.: Society, Council, MGA Geographic Units).
- MGA Geographic Units will have the option to bill the TCS fees directly to the Conf.
- An exception MGA will continue to pay these fees if the external (non-IEEE) financial sponsor has a National Society Agreement with IEEE or has a Sister Society Agreement with one or more of the IEEE Societies.
