

# IEEE Invites You...

to a Free Live Authorship Workshop in London on 21st October.

## How to Publish a Technical Paper with IEEE

**Date:**

Tuesday, 21st October 2014

**Time:**

12:00 to 4:00 PM

**Place:**

Woburn Suite, Senate House,  
Malet Street, London  
University College London

**University Hosts:**

Professor Alwyn Seeds and  
Professor Izzat Darwazeh

## Workshop Agenda

**Registration:**

12:00 to 12:30 PM

**Inauguration and Welcome -  
Professor Izzat Darwazeh:**

12:30 to 1:00 PM

**Keynote - Professor Rahman:**

1:00 to 2:30 PM

**Break with Refreshments:**

2:30 to 3:00 PM

**Publishing with IEEE: Rachel  
Berrington & Nancy Blair-  
DeLeon:**

3:00 to 3:40 PM

**Q&A with Speakers:**

3:40 to 4:00 PM

The authorship workshop will offer advice on everything from how the IEEE publishing process works to basic writing tips and submitting a manuscript.

The goal of the workshop is to enable engineers, faculty, researchers, and authors to advance technology and their careers by enhancing their ability to get published and share their research with the scholarly community. The event is free to faculty, research staff, and postgraduate engineering students with an interest in learning how to publish with IEEE.

## About the Keynote Speaker

Professor Saifur Rahman  
Joseph R. Loring Professor of Electrical & Computer  
Engineering  
Virginia Tech, USA

Saifur Rahman is the Joseph R. Loring Professor of Electrical and Computer Engineering and the founding director of the Advanced Research Institute at Virginia Tech. He is a Fellow of the IEEE and a distinguished lecturer of the Power & Energy Society. Prof. Rahman served as the founding Editor-in-Chief of IEEE Transactions on Sustainable Energy from 2009 to 2012. He is the chair of the National Science Foundation (NSF) Advisory Committee on International Science and Engineering.
