

Joint R8 LM Committee and LMAG Meeting

**Online Meeting, 22.01.2026, 18:00 CET
24.01.2026, 17:00 CET**

Peter P. Magyar, R8 LM Committee Chair 2026

www.ieee.org

TEAMS Meeting

The online meeting program TEAMS is a free version

The presentation time is limited to 60 minutes

If the time is expired, I will start again and you may join

Video recording is not permitted

Recording is not only against the IEEE rules but against the law

Respected Participants, Dear Colleagues

Please save the privacy of all participants.

Taking video recording and especially posting it in medias of a portion or the full presentation is not permitted.

It is also not permitted to link your email address to AI tools and make a survey and especially post it.

* *

Please keep your microphone muted during the event if you not communicating with the presenter.

You may use also the chat function.

At the end of the meeting, we will take a group photo by using screenshot. You may ask for that by using the email address peter.magyar@ieee.org

Life Member AG development overview

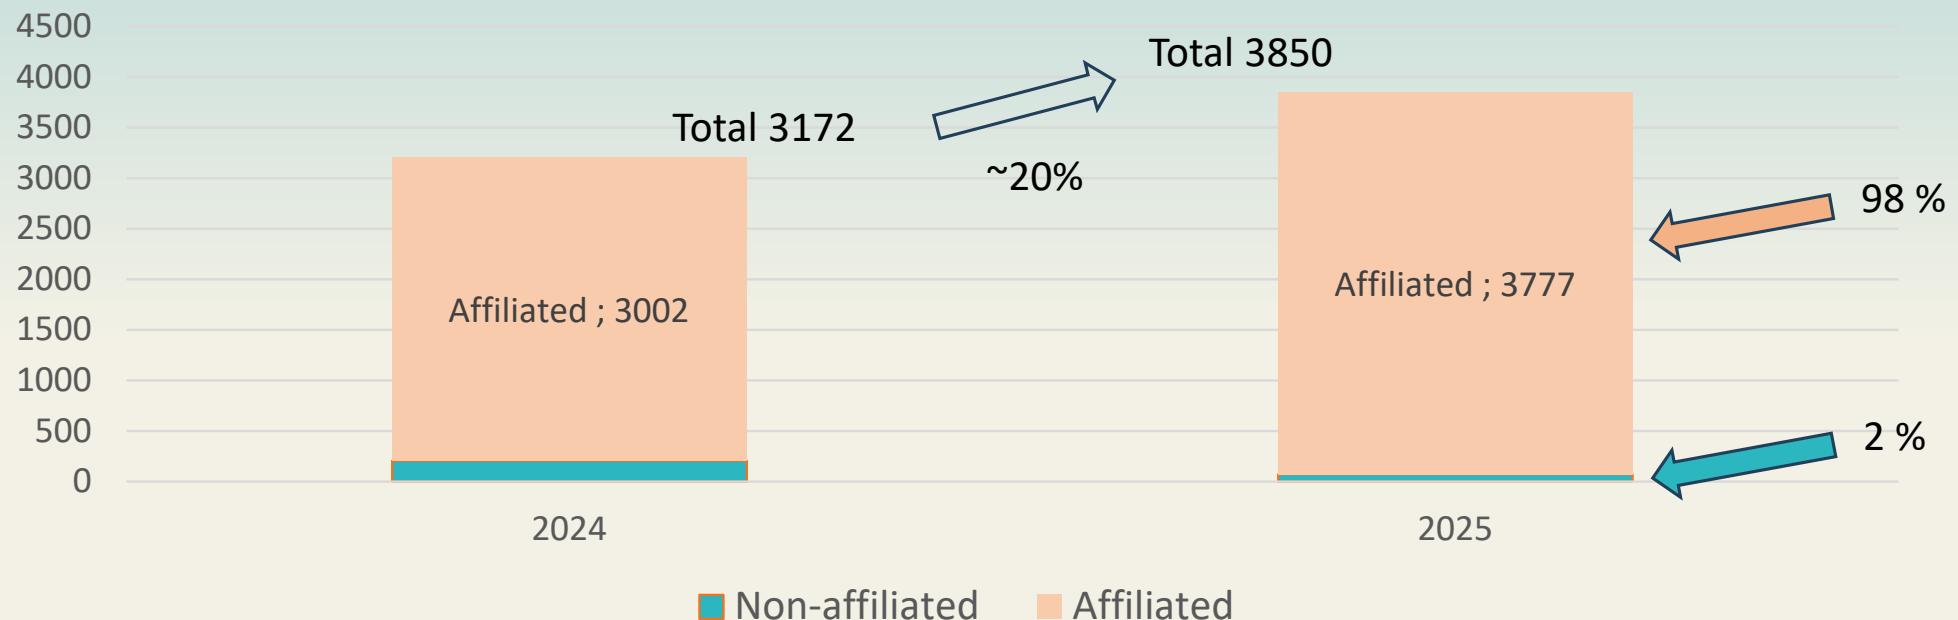

2020-2025

R8 Life Members

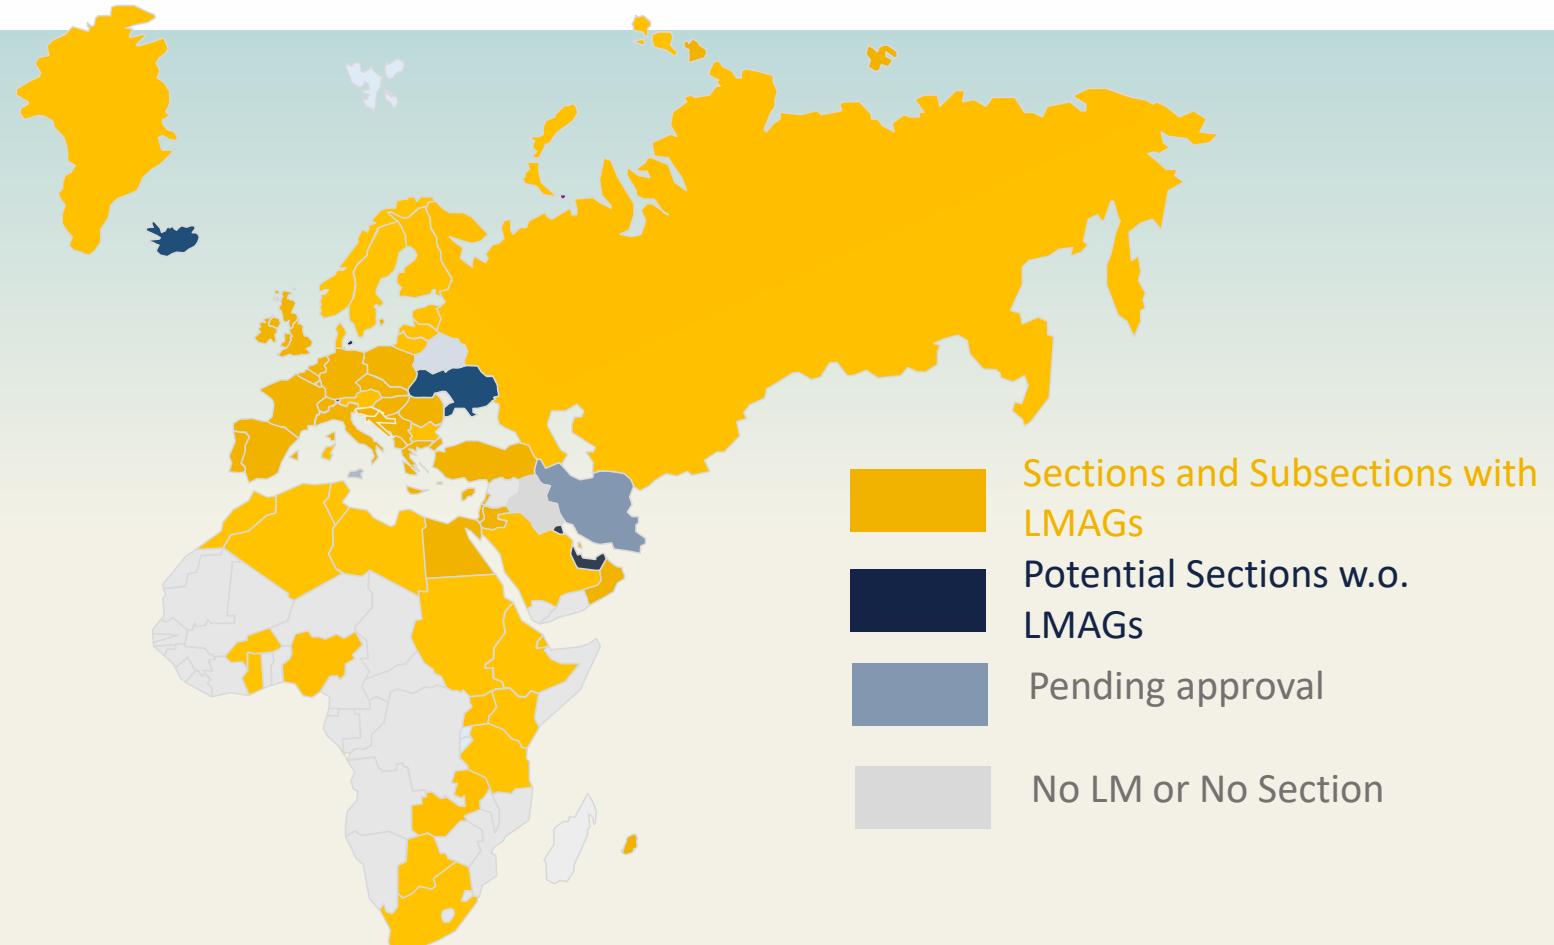

4 % of the R8 membership

3850 Life Members - 98% are Members of LMAGs

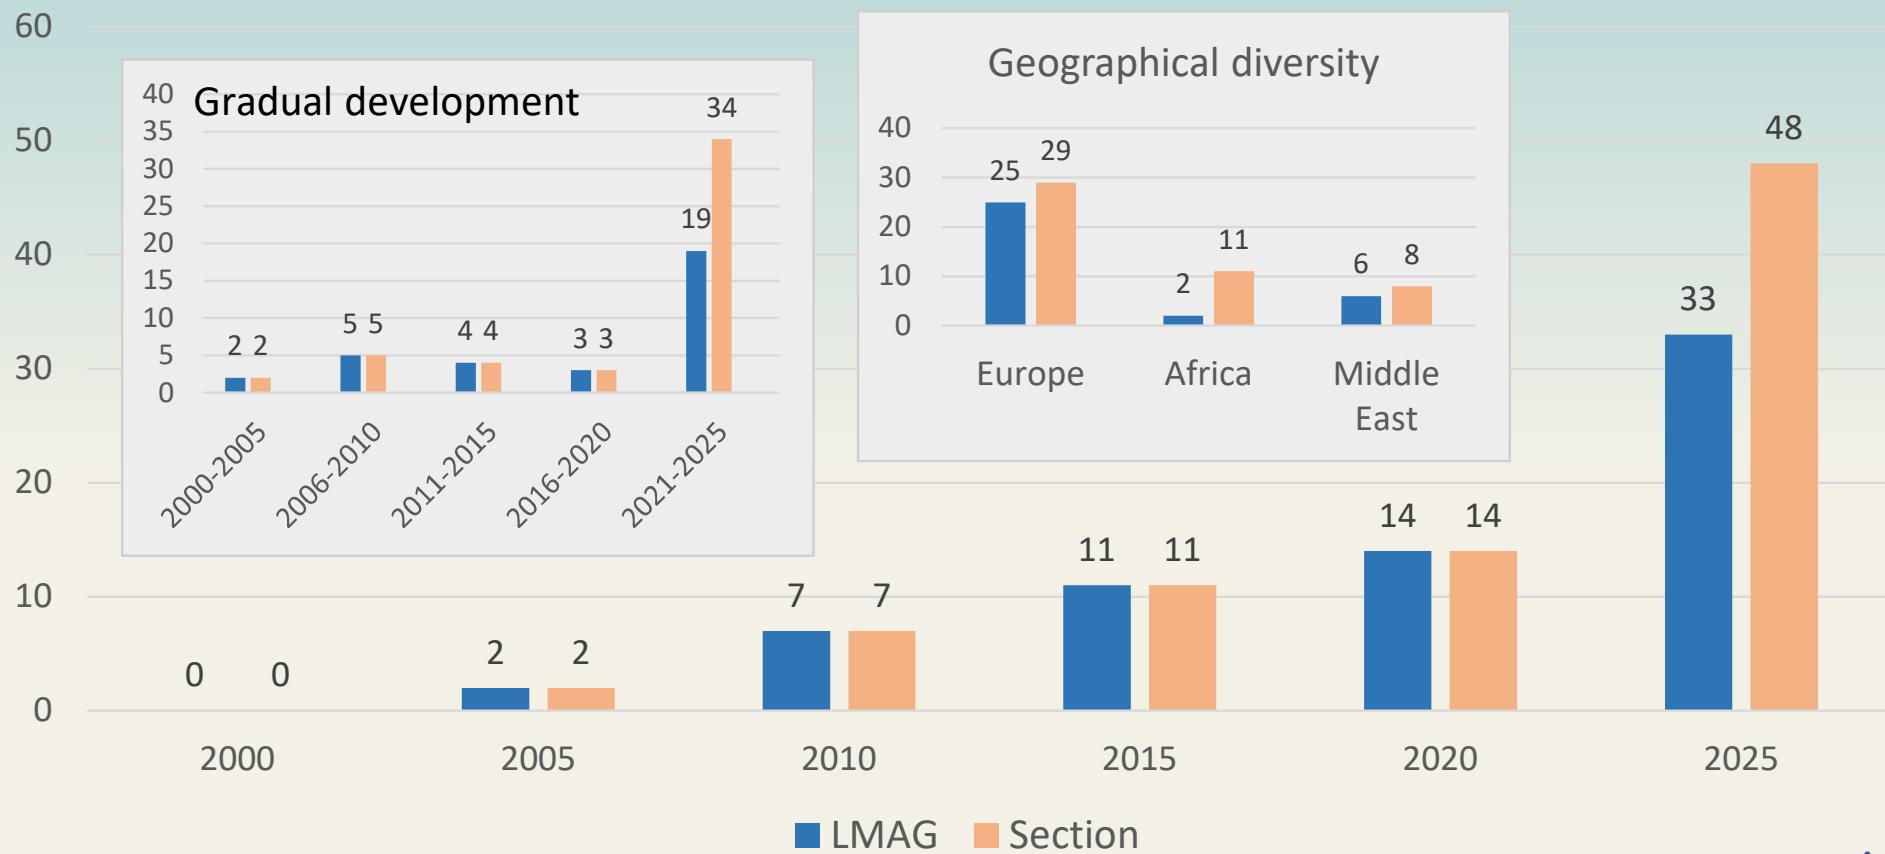

R8 LMAG map

48 of 60 Sections have LMAGs

R8 LMAG and Section development

Way to 33 LMAGs in 48 Sections

R8 specialty – we have four Joint Section LMAGs

LMAG opportunity for networking and cooperation

► Joint *Baltic* LMAG

- 3 Sections
- Estonia, Latvia, Lithuania Sections

► Joint LMAG

- 3 Sections
- Bahrain, Oman, Qatar Sections

► Joint *Nordic* LMAG

- 3 Sections
- Sweden, Denmark, Finland Sections

► Africa Council LMAG

- 10 Sections
- 7 Subsections

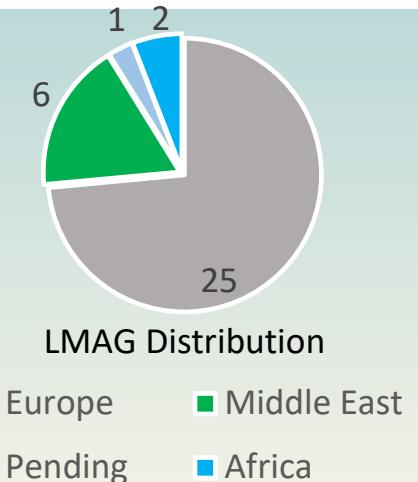

There are 33 active LMAGs, 1 is pending

Europe 25, Middle East 6 +1, Africa 2

- Two New LMAGs in 2025

- Austria
- Benelux
- Bulgaria
- Croatia
- Cyprus
- Czechoslovakia
- **Egypt**
- France
- Germany
- Greece
- Hungary
- Iran (pending)
- Israel
- Italy
- Jordan
- Lebanon
- North Macedonia
- Norway
- Poland
- Portugal
- Romania
- Russia

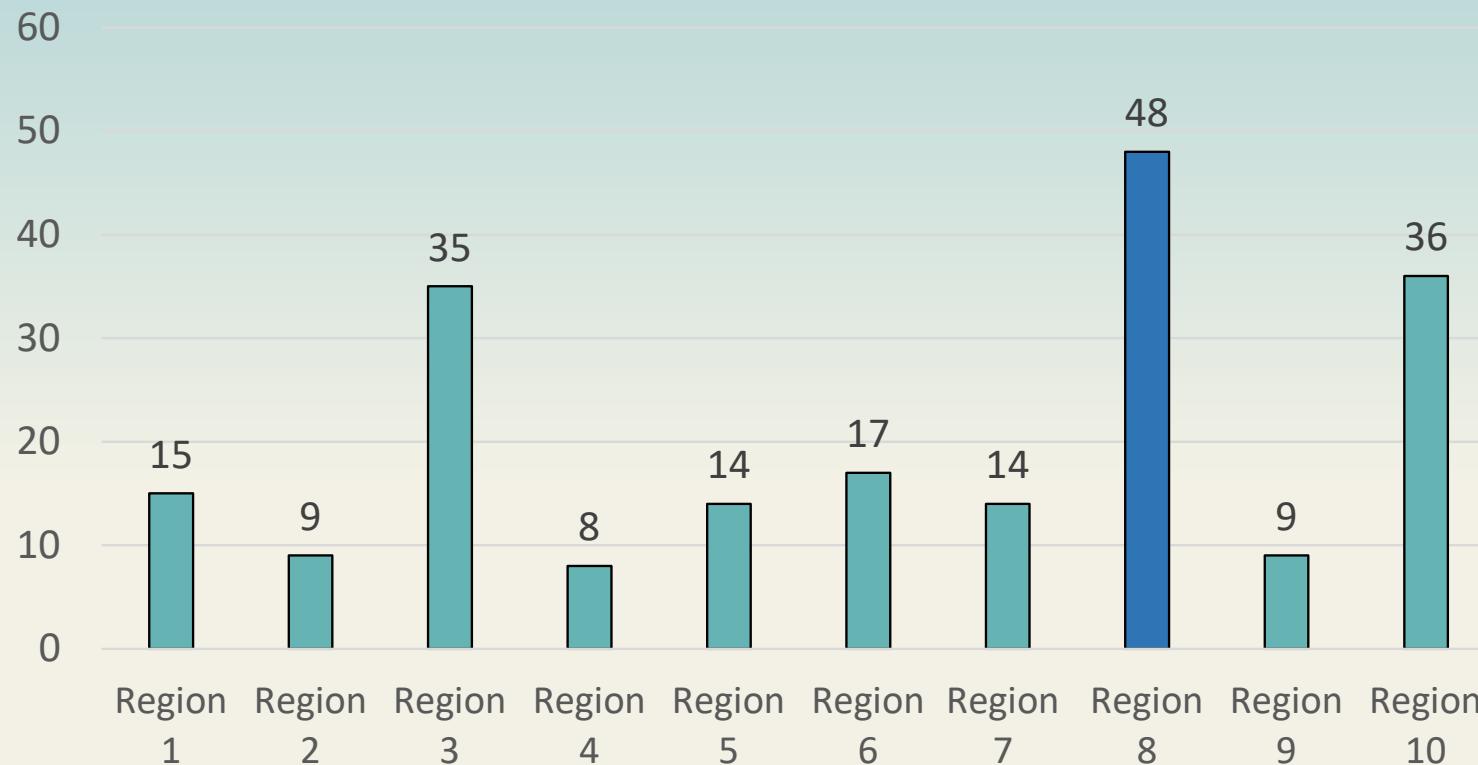

- Russia Northwest
- Saudi Arabia NEW**
- Serbia & Montenegro
- Slovenia
- Spain
- Switzerland
- Turkiye**
- UK & Ireland
- Africa Council (with 10 Sections and 7 Subsections)**
- Joint Estonia, Latvia, Lithuania, 'Baltic'
- Joint Bahrain, Oman, Qatar Sections**
- Joint Sweden, Denmark and Finland, 'Nordic' **NEW**

205 of 362 Sections are affiliated with LMAGs worldwide

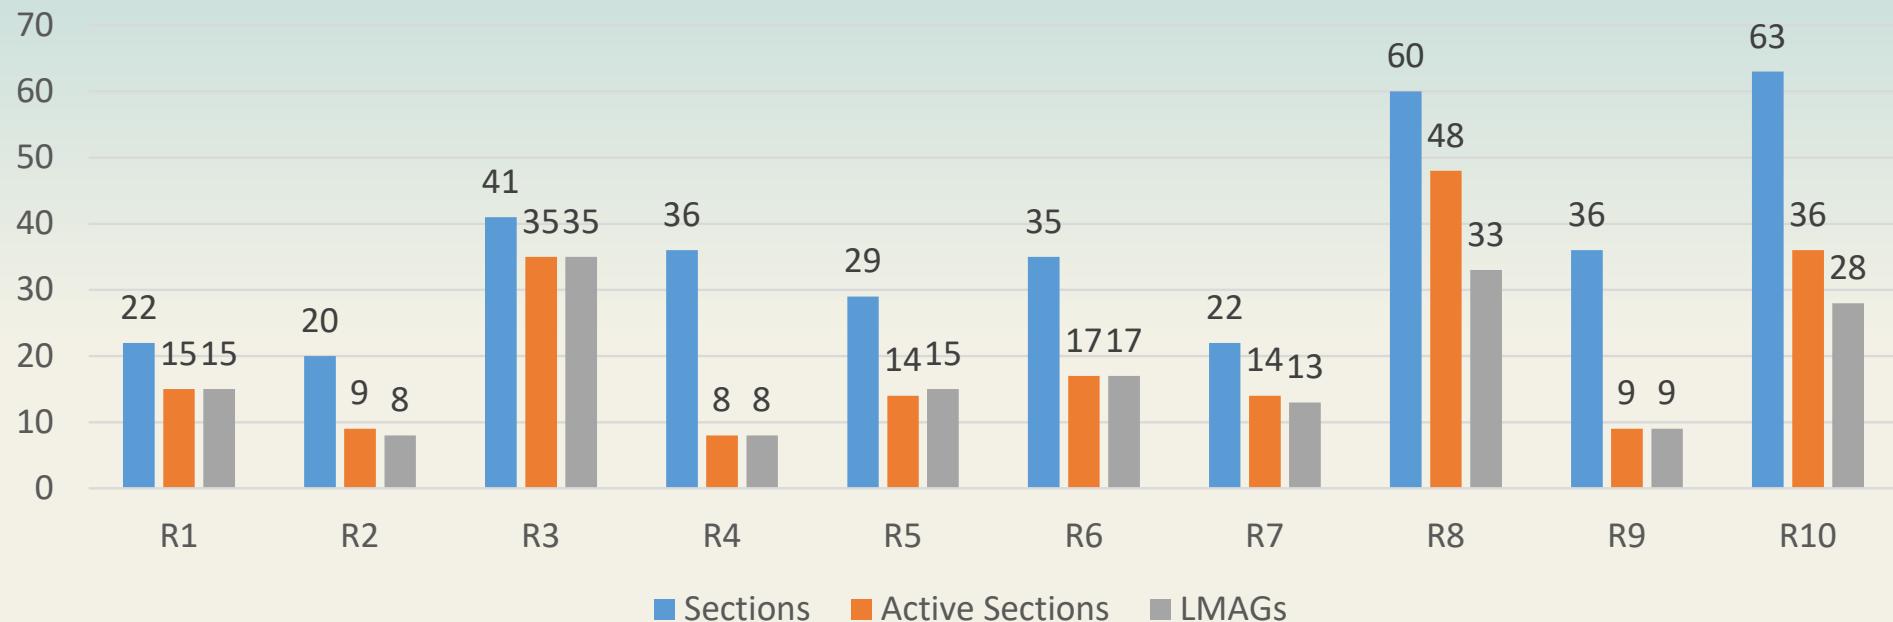

R8 has the largest group of active Sections – 48 Sections with 33 LMAGs

LMAG overview R1-10

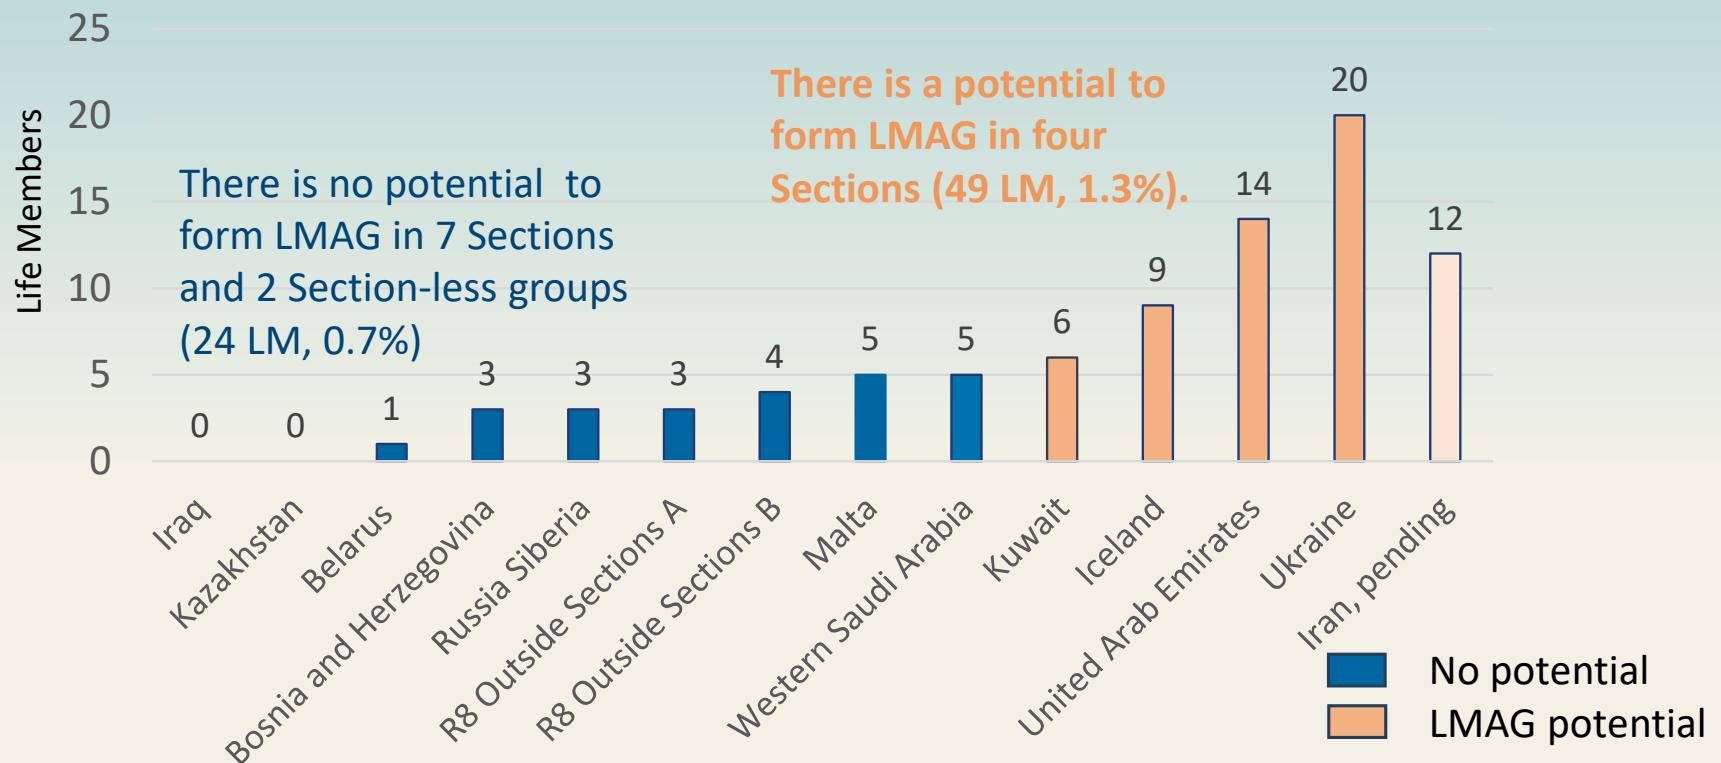

362 Sections worldwide, 205 active Sections with 181 LMGs

$362-205=157$ potential Sections

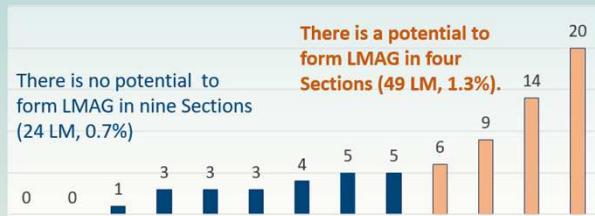

Future development potential

Target: making the opportunity possible

Making the opportunity possible

How to involve the remaining 2% of LMs to LMAGs

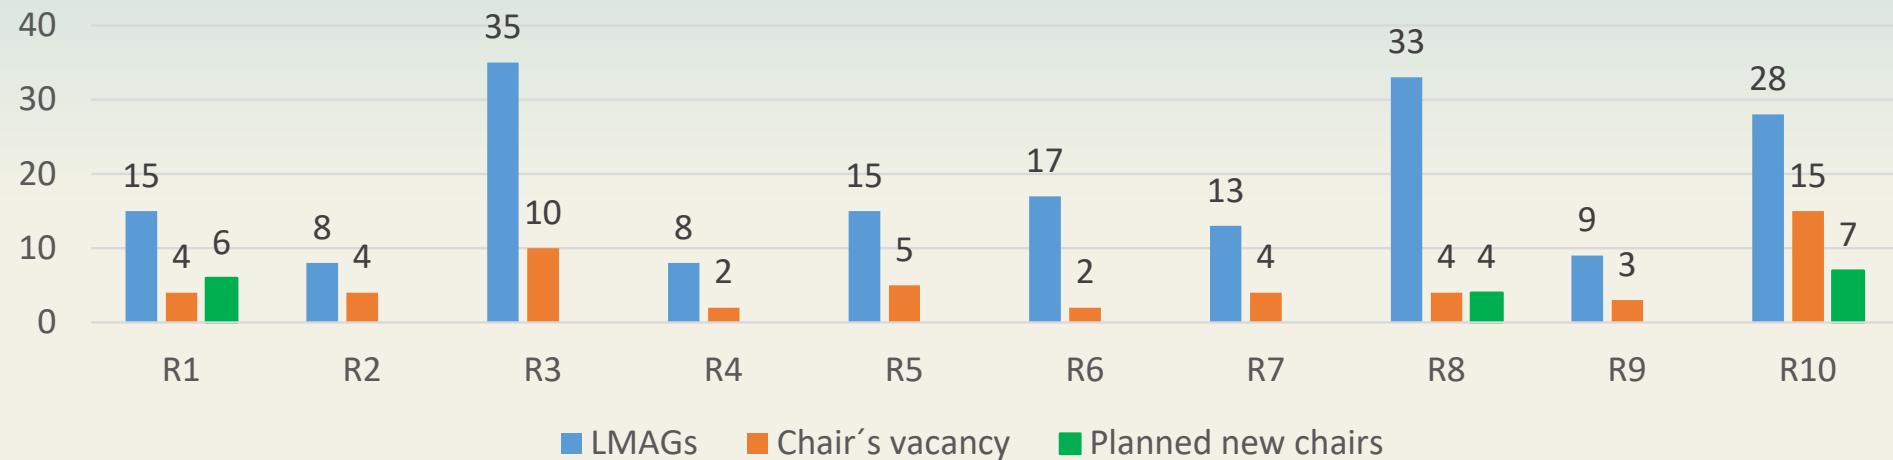

- ▶ 0.7 % of LMs cannot form LMAG
 - There is a potential
 - to join existing LMAGs
 - to form LM Special Interest Groups
 - to ad-hoc cooperation with existing LMAGs
- ▶ 1.3% of LMs can form LMAG
 - The petition is in progress in the
 - Kuwait Section
 - United Arabic Emirates Section
 - Obstacles
 - Iceland: non-active Section
 - Ukraine: OFAC restriction

Another comparison with R1-10

Chair's vacancy

181 LMAGs
52 chair's vacancy
17 new chairs planned 2026

LMAG activity

Highlights 2025

Joint Estonia, Latvia and Lithuania Sections LMAG

Technical, mentoring and social events

Benelux Section LMAG

Technical visits to Siemens, CSL, IMEC, ADMESY N.V. and Milestone Award Ceremony

Czechoslovakia Section LMAG

Joint leadership and technical meeting

Hungary Section LMAG

IEEE **Life**
members

LM Social Meeting and YP Mentoring Event

Israel Section LMAG

70th Anniversary of the Section celebrated by the LMAG

North Macedonia Section LMAG

Technical lecture, student competition and social event

Switzerland Section LMAG

Computer History Conference and Exhibition – Regional Meetings

The R8 LMAG are

acknowledged
organized
supported
cooperative
enjoyable

more than exclusive clubs of members

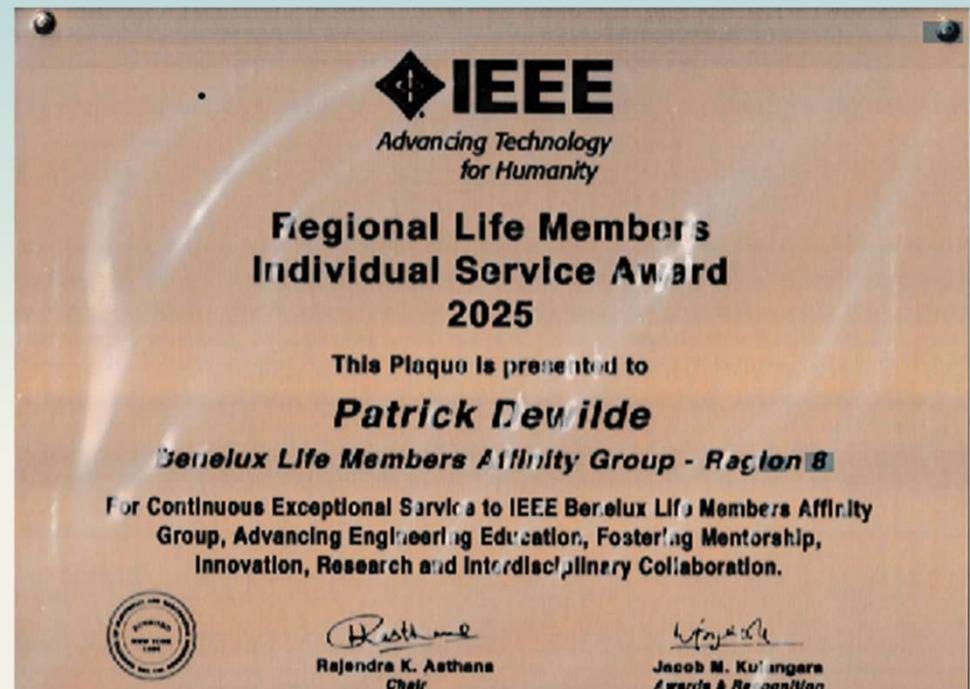

LM activity

Acknowledgements 2025

2025 IEEE Life Members Individual Service Award

R8 Recipient

- ▶ Regional Life Members Individual Service Award 2025
- ▶ Patrick Dewilde
 - Benelux Section LMAG
- ▶ Citation
 - For continuous exceptional service to IEEE Benelux Section Life Member Affinity Group, advancing engineering education, fostering mentorship, innovation, research and interdisciplinary collaboration.
- ▶ Benelux Section LMAG Chair
 - Luc Claesen, 2024-2025

2025 IEEE Life Members AG Achievement Award

R8 Recipient

- ▶ Regional Life Member Affinity Group Achievement Award 2025
- ▶ Switzerland Section LMAG
 - Chaired by Hugo Wyss
- ▶ Citation
 - For promoting active cooperation among national and international peer-groups and organizing meetings on emerging issues facing the industry.
- ▶ Switzerland Section LMAG Chairs
 - Hugo Wyss, 2024
 - Robert Weiss, 2025

2024 MGA Achievement Award

R8 LM coordination

- ▶ To Peter Magyar, Germany Section
- ▶ For outstanding contributions, dedication and exemplary leadership of IEEE Life Members by establishing and improving numerous communities in IEEE Region 8

LM past chair's activity

Event coordination 2025

IEEE Joint SAC / YP / WIE / LM Face-to-Face Meeting

LMC Member

- ▶ 2 ½ -day meeting series
 - Panama City, 14-16 March 2025
 - Networking possibility
 - Joint and separate SAC, YP, WIE and LM meetings
- ▶ Organized by MGA
- ▶ *Attendance expenses funded by IEEE Foundation*
- ▶ *Attendees from R8 LM:*
 - Magdalena Salazar-Palma, R8 LM Committee Chair
 - Peter Magyar, LMC Member
- ▶ **How to overcome obstacles of the LMAG formation – R8 best practices**
 - Keynote lecture by P.Magyar

LMC Evaluation Conference 2025

Promoting IAS Life Members and promoting IAS Young Members

- ▶ Boston, USA, 12-14 June 2025
- ▶ <https://life.ieee.org/news-events/ieee-evolution-conference/>
- ▶ 187 attendees
- ▶ IAS support
 - Platinum Sponsor
 - Funded the attendance of 4 of 12 Life Members
- ▶ Results
 - Local IAS member promotion
 - Promotion agreements made with
 - HKN – eta kappa nü conference
 - Puerto Rico Section IAS sponsored conference
 - Establishing contact with not-yet-IAS-member YPs
 - Establishing contact with IEEE History Center
- ▶ ***Attendance expenses funded by IAS***
- ▶ **IAS Overview and IAS Affinity Groups Promoting Programs**
 - Platinum sponsor presentation by P.Magyar

Promotion R8 Affinity Group Members

IAS, R8, HS Introductory and Mentoring Workshop, Budapest

- ▶ In conjunction with the R8 Committee Meeting, Budapest, Hungary, 04 April 2025
- ▶ Host: R8 MA face-to-face full day meeting
- ▶ Organizers: IAS LM, YP and SYP representatives
- ▶ Activity objectives
 - Introduction IAS Affinity Group Programs
 - Networking with IAS officers, Regional MD related officers, local students and SB advisors
 - Social & networking dinner with 20 Student, YP and WIE Members of two local SB IAS Chapters
- ▶ Event format
 - presentation session 1,5h
 - workshop / brain storming session 1.5 h
- ▶ 10 Presentations
 - IAS LM, WIE, SYP, D&I and Consultants, R8 LM, Hungary Section LMAG &SYP support, IYCE'2025
- ▶ ***Financial sponsors: IAS and R8***

Promotion – Mentoring in Budapest

Young members are the future Life Members

R8 HA and LM Joint Meeting 2025

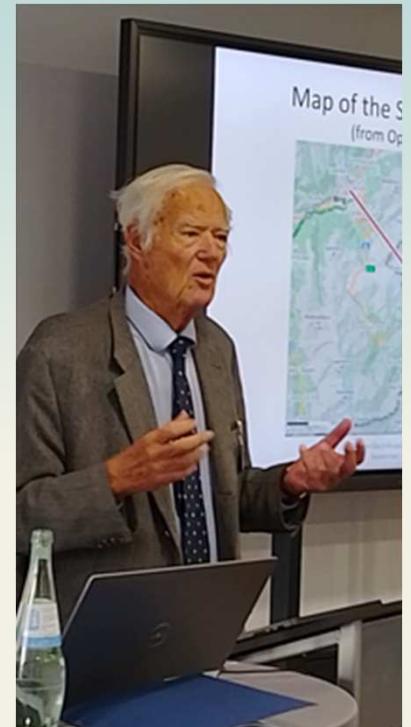

In conjunction with HISTELCON 2025, Bonn, Germany

- ▶ General
 - 1st day: Leadership Workshops
 - 2nd -4th day: Participation in HISTELCON 2025
- ▶ Participants
 - R8 Director
 - R8 VC TA
 - R8 HA Coordinator
 - R8 LM Past Coordinator
 - IEEE History Center Curator, Program Manager
 - LMAG Representatives, Authors
- ▶ Cooperation and Networking
- ▶ ***Funded by R8 MA, Section and University***

R8 HA and LM Joint Meeting 2025

Meeting and participation at HISTELCON '2025

Planned activities 2026

R8 LM Committee Chair

IEEE Life Members Committee Member

IEEE IAS Life Members Representative

LMAG Coordination

Work plan 2026

- ▶ R8 LM, IEEE LMC and IEEE IAS
 - Reports to quarterly LM Committee Meetings
 - Reports to 2026 Spring and Autumn R8 Committee Meetings
 - Participation in and report to the LMC monthly meetings
 - Cooperation with R8 HA Committee and IEEE Industry Applications Society
- ▶ Participation in
 - IEEE WIE, YP and LM Meeting
 - IEEE LMC Evaluation Conference
 - IEEE Sections Congress
- ▶ Improving LMAG activity and publicity level
 - Renew six LMAGs by rotation in the chair's position
 - vTools webinar series
 - Annual HA and LM Joint Meeting 2026
 - Mentoring events, TBD
- ▶ LMAG funds
 - Clarifying of the LM funds approval process with LMC
 - Improving the distribution of the available funds
- ▶ LMAG development
 - LMAG formations in the Sections with LMAG potential (1.3% of the R8 Life-grade membership)
 - Reach out to the non-potential Sections (0.7% of the R8 Life-grade membership)

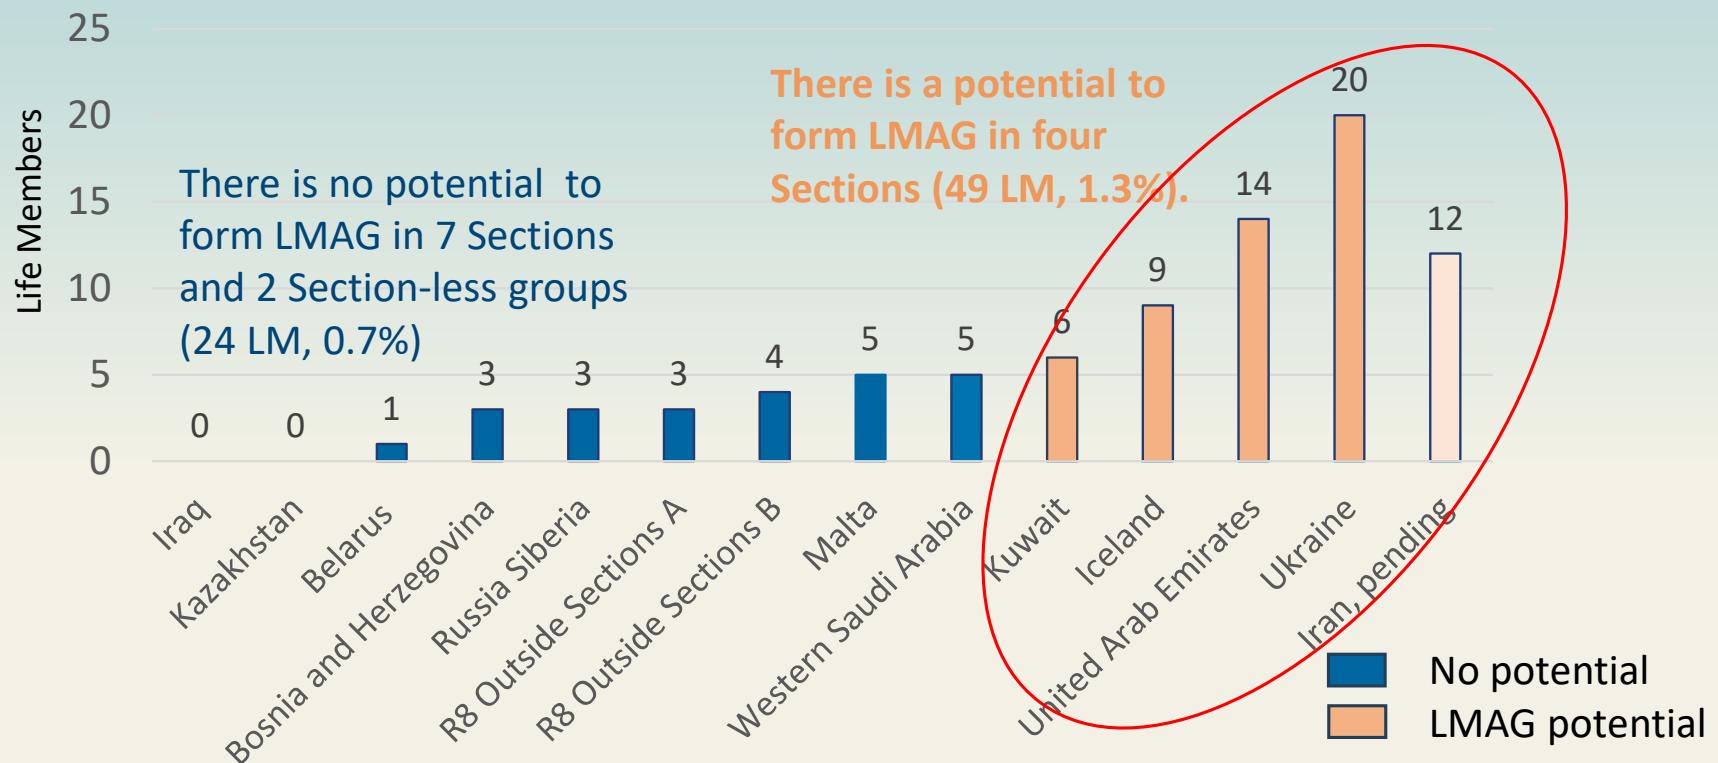

LMAG Coordination

Work plan 2026

- ▶ R8 LM, IEEE LMC and IEEE IAS
 - Reports to quarterly LM Committee Meetings
 - Reports to 2026 Spring and Autumn R8 Committee Meetings
 - Participation in and report to the LMC monthly meetings
 - Cooperation with R8 HA Committee and IEEE Industry Applications Society
- ▶ Participation in
 - IEEE WIE, YP and LM Meeting
 - IEEE LMC Evaluation Conference
 - IEEE Sections Congress
- ▶ Improving LMAG activity and publicity level
 - Renew six LMAGs by rotation in the chair's position
 - vTools webinar series
 - Annual HA and LM Joint Meeting 2026
 - Mentoring events, TBD
- ▶ LMAG funds
 - Clarifying of the LM funds approval process with LMC
 - Improving the distribution of the available funds
- ▶ LMAG development
 - LMAG formations in the Sections with LMAG potential (1.3% of the R8 Life-grade membership)
 - Reach out to the non-potential Sections (0.7% of the R8 Life-grade membership)

Future development potential – 4 LMAGs

Target: making the opportunity possible – forming at least 2 LMAGs

Improving LMC funding process

Recent funding possibilities

► General information

- <https://life.ieee.org/volunteers/chapter-financial-support/>
- Types of Programs Supported / Not Supported (ibid)
- Clarifying the approval criteria / application form

Budget item	Description	Approving officer	Amount
- E01	Regional Event	RC	\$2k per Region
- E02	Support Student Activities	Grants Committee Chair	total \$10k
- E20a	LMAG activities	RC	\$5k per Region
- E20b	LMAG creation	RC	\$1k per Region
- E33	RC travel expenses within RC's Region	RC	\$1k per Region
- E30a	Group mentoring events	Grants Committee Chair	xxxx

LM and HA Annual Meeting 2026

Proposal 1

- ▶ Guided technical museum tour and leadership workshop
 - **Heinz Nixdorf MuseumsForum**, Paderborn, Germany, <https://www.hnf.de/en/home.html>
 - World's largest computer museum

LM and HA Annual Meeting 2026

Proposal 2

- ▶ Scheduled in conjunction with IEEE IAS Executive Board Meeting, Timisoara, Romania, June 29-July 1

Main event	IAS Executive Board Summer 2026 Meeting June 29-July 1 cca 25-30 mainly US attendee	
Connected opportunity	Participation in the IAS Exec Board discussion meeting and social events (logistics, free meals, insight into the Society processes, etc.)	
Connected parallel events	Romania Section IAS Meeting	R8 HA and LM Annual Meeting
	Romania Section WIE, YP Meeting – Mentoring event	
Mentoring event	Mentees: All Mentors: Selected R8, IAS, Section, HA and LM officers. Opportunity to get \$2k from LMC.	

LM and HA Annual Meeting 2026

Proposal 3

- ▶ Joining an important and large LMAG event

TBD
