Dear Margaretha Eriksson:

Congratulations! On behalf of the IEEE Member and Geographic Activities Vice President, Antonio Luque, it is a pleasure to inform you that the requirements of the MGA Board Operations Manual have been met, and the IEEE Sweden Section, Finland Section and Denmark Section Life Member Joint Affinity Group has been formed. This formation is the result of the Finland Section and Denmark Section being added to the already formed Sweden Section Life Member Affinity Group. The effective date of this affinity group formation is 12 December 2025.

You have been recorded as Affinity Group Chair. When an election has been held, please report the name and member number of the new Affinity Group Chair to the IEEE using the online Officer reporting tool at <https://officers.vtools.ieee.org/>. Valuable information regarding IEEE affinity groups can be found at <https://mga.ieee.org/resources-operations/geographic-unit/affinity-groups>. If we can assist you in any way in the planning of the affinity groups activities, please let us know.

We extend our best wishes for the successful operation of this affinity group.

Sincerely,

Cecelia Jankowski
