

ILC 2026 in Budapest

The IEEE International Leadership Conference (ILC 2026) was held in Budapest at the beginning of this October. The conference focused on strengthening personal leadership and increasing the effectiveness of organizational cooperation. This was also discussed in a panel by IEEE Past, Present and President Elect as Kathleen A. Kramer, Mary Ellen Randall and Jill I. Gostin.

The Life Member group has also become more rounded in which were present Teofilo Ramos LMC Chair, Howard Wolfram LMC Senior Past Chair, Peter Magyar R8 LM Coordinator, Jacob Kulangara R3 LM Coordinator, Sudhanshu Shekhar Jamuar Past R10 LM Coordinator. Habib M. Kammoun R8 VC MA and Peter Kadar Hungary Section LMAG Chair.

The event was supported by Hungary Section IAS / PES Student Branch. 3 of 28 Hungarian Life Members participated at Multi Cultural Event.

At this conference the cooperation of three layers of Presidential, Regional and Section was demonstrated.

Peter Kadar
