Dear all,

As warmer days and Dubrovnik are approaching, we are pleased to be hosting you soon in Croatia. In preparation of your arrival, we would like to draw your attention to available document „Travel Advisory IEEE R8 Committee Dubrovnik “, available on the meeting website here (or document itself directly here).

As part of it, hotel Rixos is offering a selection of organized tours for participants:

The staff will be glad to check availability and assist you with the booking. For any questions or to make arrangements in advance, please feel free to contact Ivana Glavocic, who is in charge of the tours (Ivana GLAVOCIC <ivana.glavocic@rixos.com>).

The tours are covered on your own, and not from the IEEE budget.
